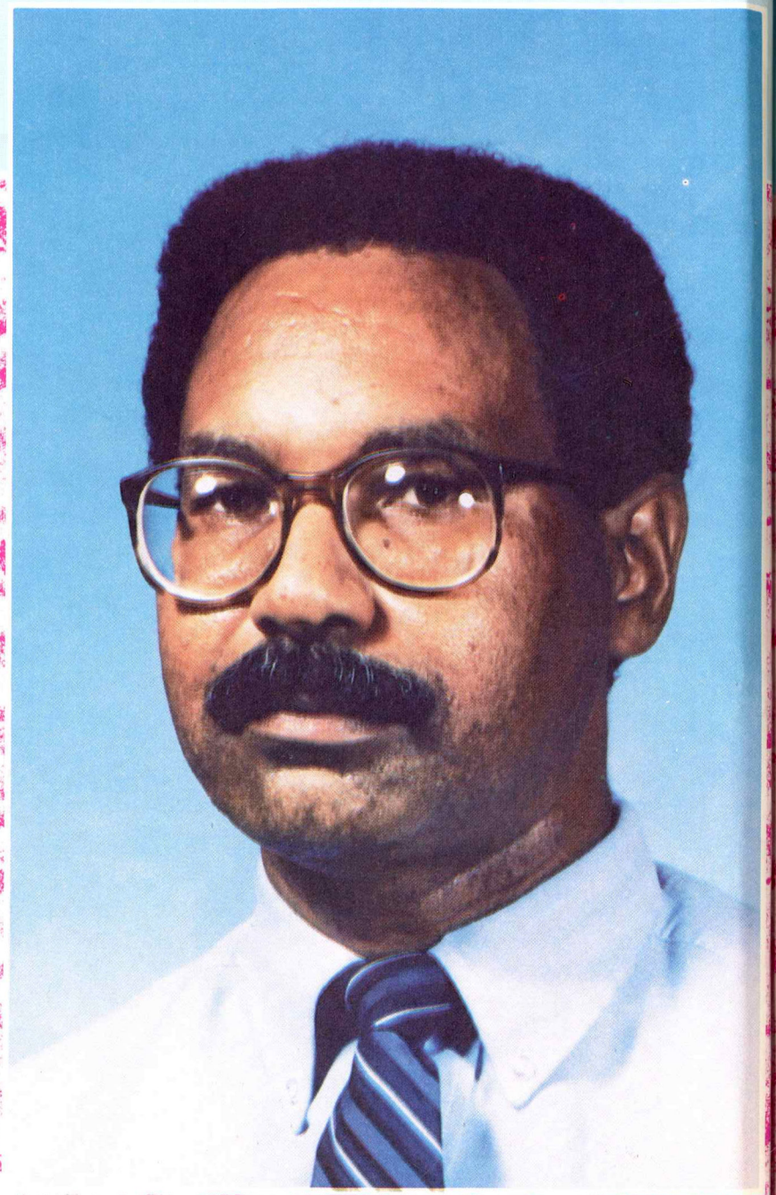
A dedication of appreciation

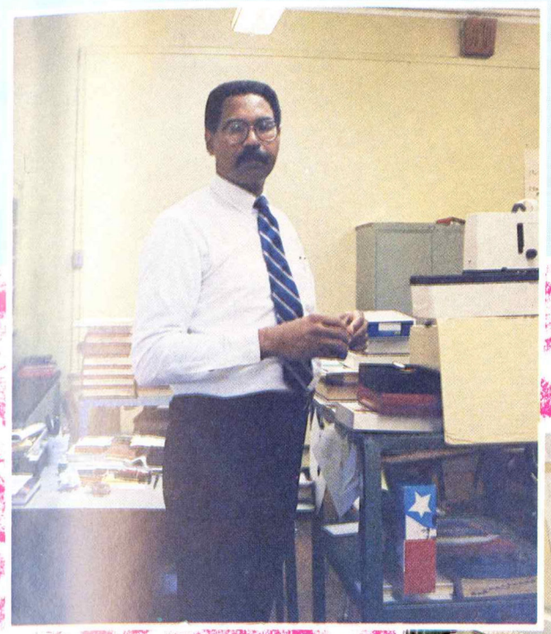


Each year the *Panther* yearbook is dedicated to a teacher who displays outstanding qualities while at P.H.S. This year the dedication was special because this teacher, Mr. J.R. Spillers, celebrated his twentieth year in the Pascagoula School System.

Mr. Spillers is noted for his warm smile and friendly demeanor as well as the care and concern he displays for each of his students and faculty members. Seniors who have had this teacher know they have graduated with a strong background in government and economics. Mr. Spillers, an alderman for the city of Moss Point, often brings government to life by using this knowledge in the classroom.

However, seniors were not the only people this teacher stood by and cared about. As Ebony-Blanche sponsor, he also worked with juniors and sophomores to help them become the best they could be and reach any goal they set.

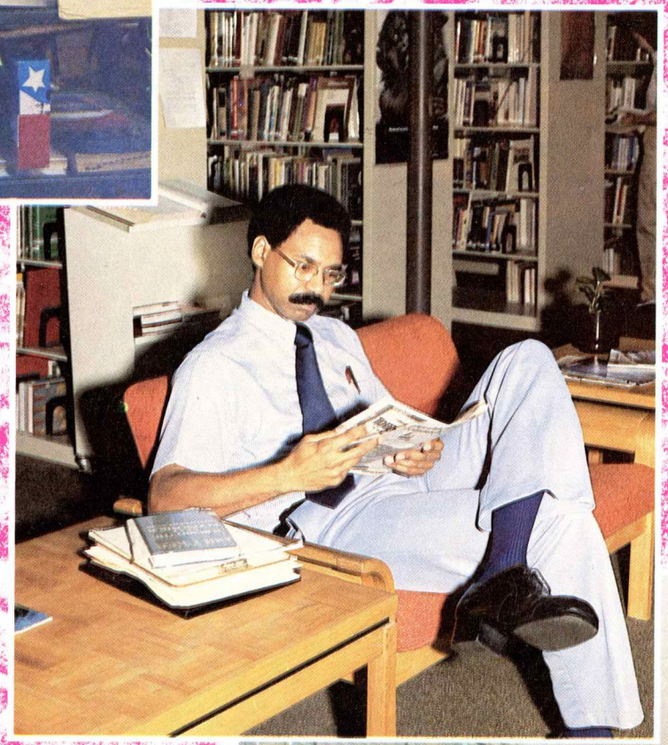
The Pascagoula High School yearbook staff started the new decade by dedicating the yearbook to Mr. J. R. Spillers, and in doing so the staff showed their appreciation to this remarkable man.

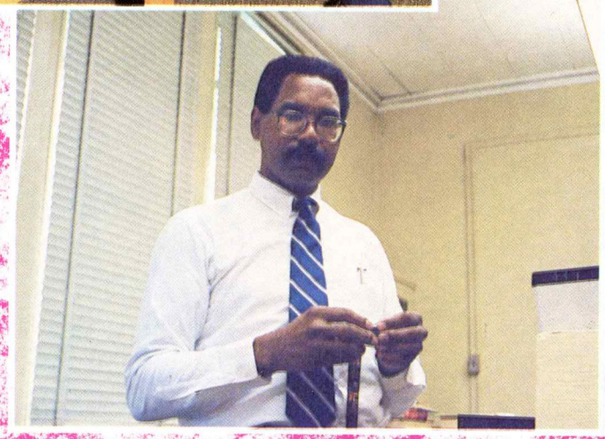


Mr. Spillers takes time between classes to pose for a yearbook photo.

On his planning period, Mr. Spillers takes time to catch up on the current events of the day.

Mr. Spillers prepares his class for a government and economics filmstrip.





Nineteen-Ninety

LET IT BEGIN

CAN YOU BELIEVE IT? ANOTHER DECADE IS HERE! THE CLASS OF 1990 HAD MANY NEW AND EXCITING GOALS TO ACHIEVE. JUNIORS USED THE YEAR TO LEARN THEIR PLACE ON THE MAIN CAMPUS WHILE THE SOPHOMORES DELT WITH A NEW SCHOOL, NEW FRIENDS, AND NEW OBSTICLES — THE "CHEESERS" THAT SHUTTLED THEM FROM CAMPUS TO CAMPUS. ALL IN ALL, PHS LOOKED FORWARD TO THE NEW DECADE.

LET IT BEGIN

SENIORITIS! A WHOLE NEW BEGINNING FOR ALL THE INCOMING SENIORS AT PHS. NEW FRIENDS, CLASSES, AND ESPECIALLY NEW EXPENSES WERE THERE. WHEN SENIORS ARE ASKED HOW THEY FEEL ABOUT ALL THE CHANGES, THEIR MINDS GO BLANK AS THEY TRY TO INHALE ALL THE NEW EXPERIENCES. SENIOR PORTRAITS, INVITATIONS, CLASS RINGS, AND SENIOR TRIPS ALL TIE INTO THEIR YEAR OF DEBT. FOR ALL SENIORS EVERYTHING COST. THEIR EXCITEMENT REACHES A CLIMAX AND ALL THEIR EXPENSES ARE FORGOTTEN AS THEY ARE HANDED THEIR CAP AND GOWN AND GRADUATION NEARS. AFTER GRADUATION WHEN EVERYONE GOES THEIR SEPARATE WAYS, THEY FEEL IT WAS ALL WORTH IT.

LET IT BEGIN

TEACHERS! PHS TEACHERS WENT ABOVE AND BEYOND THEIR REGULAR DUTIES DURING THE 1989-90 SCHOOL YEAR. TEAHCERS PUT IN MANY EXTRA HOURS AFTER A REGULAR TEACHING DAY PREPARING ACITIVITIES AND LESSONS TO KEEP THEIR STUDENTS INTERESTED IN LEARNING. BESIDES TEACHING, PHS TEACHERS SPONSORED EXTRA-CURRICULAR ACTIVITIES, SUCH AS CLUBS AND SPORTS. SCHOOL SPIRIT WAS ADDED BY THOSE TEACHERS WHO ATTENDED GAMES AND ROOTED FOR THEIR BELOVED PANTHERS. IN ADDITION TO THEIR REGULAR "DUTIES," TEACHERS WERE THERE TO LEND AN EAR AND GIVE ADVICE TO STUDENTS. TEACHERS PROBABLY FELT BOGGED DOWN MANY TIMES DURING THE YEAR, BUT WHEN ASKED TO HELP WITH A NEW ACTIVITY AT PHS, THEIR RESPONSE WAS, "SURE! LET IT BEGIN!

LET IT BEGIN

THE BEGINNING — ANOTHER SCHOOL YEAR, ANOTHER SET OF TEACHERS AND CLASSES, ANOTHER SET OF LOCKERS, AND LOADS OF NEW FRIENDS. THAT WAS AHEAD OF EVERYONE BEGINNING A NEW YEAR AT PHS. WHETHER ONE WAS A SENIOR, JUNIOR, OR SOPHOMORE, THE SAME EXPERIENCES LAY AHEAD. THE ONLY THING THAT REALLY STAYED THE SAME WAS THE FIRST DAY JITTERS AND THE NEW EXPECTATIONS THAT EACH STUDENT HAD IN ANTICIPATION OF A NEW YEAR. EVERYONE ARRIVED ON CAMPUS WITH THE SAME INTENTIONS — TO "LET IT BEGIN" IN THE BEST WAY POSSIBLE.

Nineteen-Ninety

LET IT BEGIN

MANY ELEVENTH GRADERS FEEL THAT THEIR JUNIOR YEAR IS A YEAR OF GROWTH EXPERIENCE. HOWEVER, MOST FIND THAT THEIR NEXT TO LAST YEAR IN HIGH SCHOOL IS VERY STRENUOUS AND "BRAIN RACKING." AFTER ONE "HUSTLE AND BUSTLE" YEAR AT THE ANNEX ALMOST EVERY ELEVENTH GRADER IS READY TO SETTLE DOWN ON THE MAIN CAMPUS. ONE OF THE GREATEST REASONS FOR BEING ON THE MAIN CAMPUS IS NO CLOSED CAMPUS FOR LUNCH. IN EXCHANGE FOR THIS PRIVILEGE, JUNIORS FIND THEIR CLASSES GEOGRAPHICALLY SPREAD APART AND THE ACADEMICS VERY DEMANDING. IN THE NEAR FUTURE THESE ELEVENTH GRADERS WILL HAVE SOME VERY TOUGH DECISIONS TO MAKE ABOUT COLLEGE AND LIFE. BUT FOR NOW THEY WILL FOCUS ON THE PRESENT AND LET A NEW DECADE BEGIN.

LET IT BEGIN

SOPHOMORES — "WHAT SHOULD I WEAR?" "WHERE DO I GO?" "AGGUGH!! I MISSED THE SHUTTLE BUS AND IT'S RAINING!" THESE ARE ALL THOUGHTS OF THE "NEW KIDS ON THE BLOCK," THE SOPHOMORES. THEY RETURNED TO SCHOOL THIS YEAR TO FIND A WHOLE NEW PLACE WITH A WHOLE NEW SET OF RULES, AND A WHOLE NEW ATMOSPHERE TO GROW IN AS THEY ENTERED THEIR FIRST YEAR OF HIGH SCHOOL. MOST SOPHOMORES NEVER KNOW WHAT TO EXPECT BECAUSE THEY FIGURE IF THEY CAN JUST MAKE IT TO THEIR NEXT CLASS THEY ARE DOING WELL AND WILL SURVIVE IT ALL. WHEN THE SOPHOMORES WERE ASKED HOW THEY FELT ABOUT BEING AT PHS, MANY REPLIED THAT IT WAS THE BEGINNING THE THE BEST THREE YEARS OF THEIR LIFE.

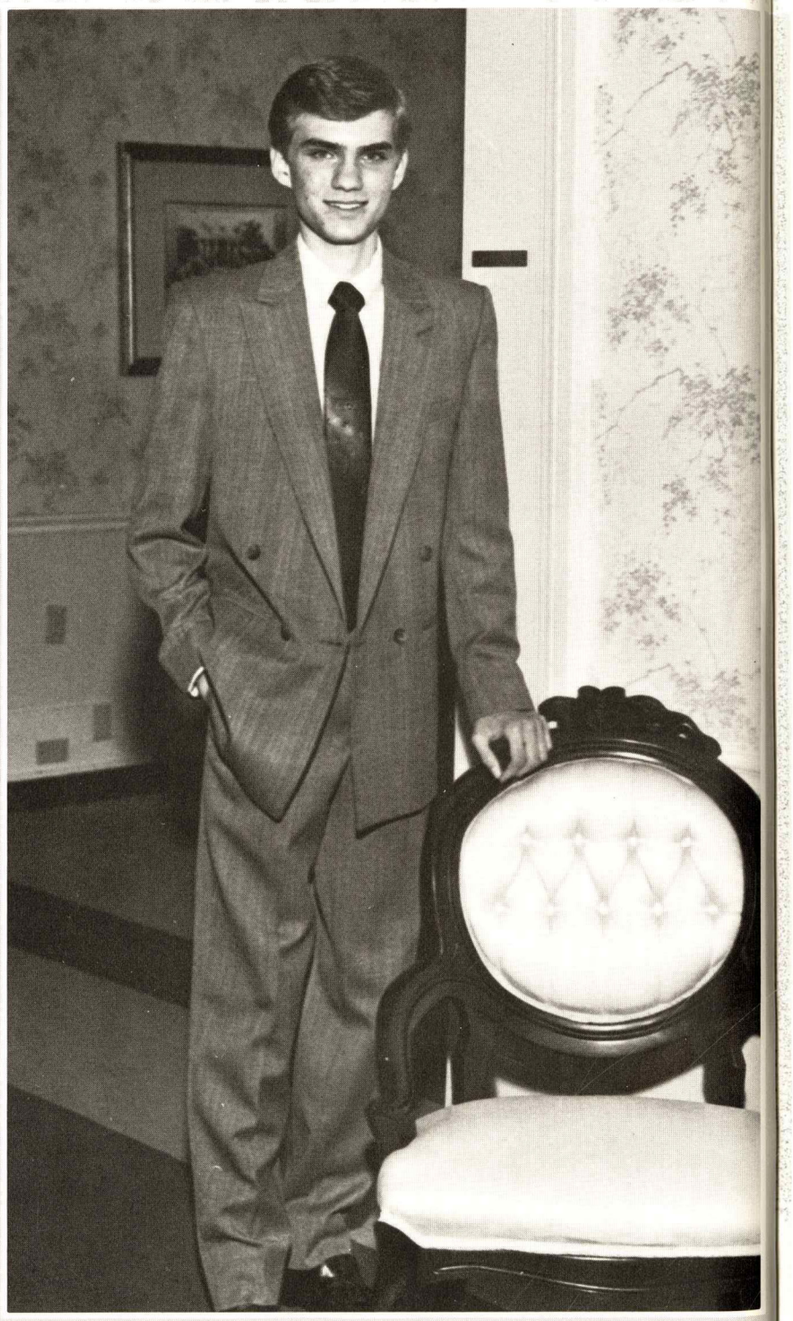
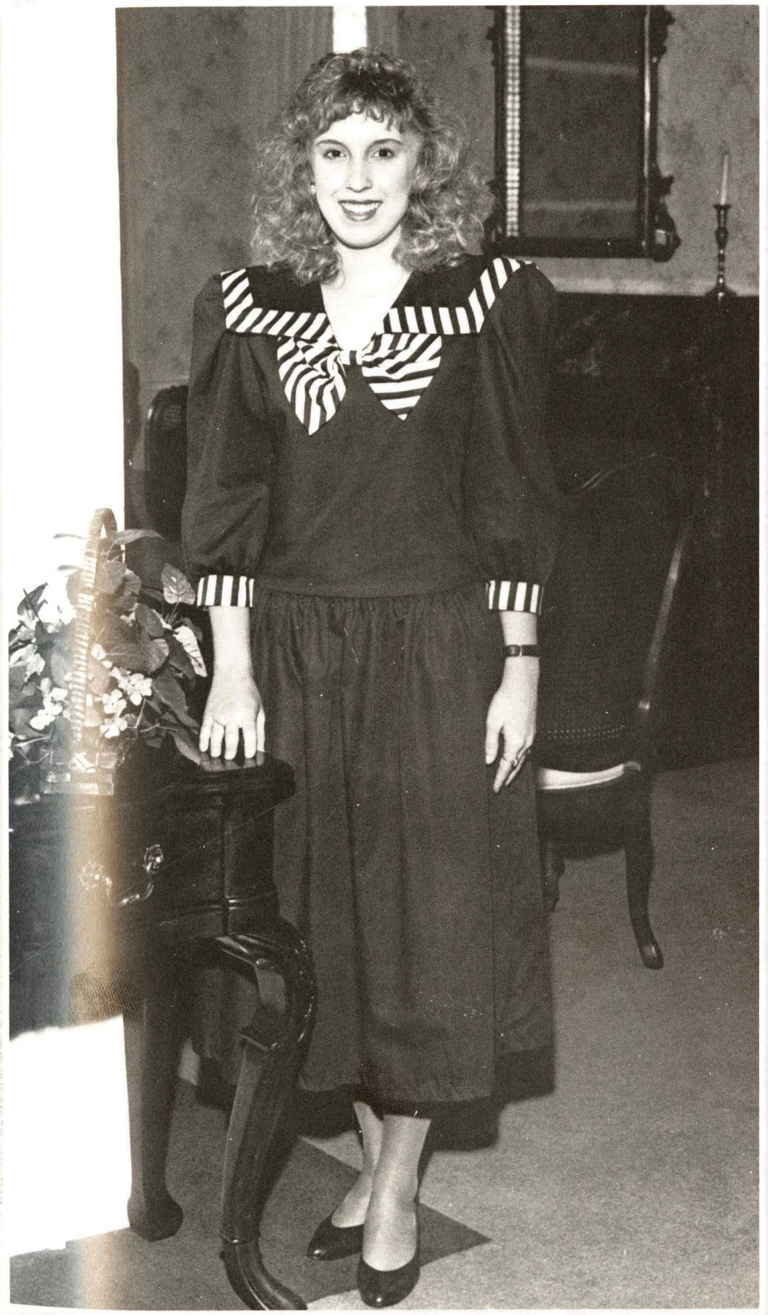
Brad

Brad Arrington participated in Beta Club, Science Club, Scholars Bowl and served as historian of the National Honor Society. He was a Superintendent's scholar who received such honors as Citizenship, the American Legion Award and highest achievement awards in Algebra II, English II, Spanish I, Biology, AP European History and English III. In his junior year he was selected as a Boys State delegate and was chosen to be a member of the Who's Who Among American High School Students. After graduation, Brad plans to attend Jackson County Junior College and then transfer to Mississippi State University to pursue a career in Mechanical Engineering.



Jennifer



Jennifer Bird was a very active student during her years at PHS. As a senior, Jennifer was treasurer of her class and vice president of both Junior Civitan and The Teenage Republicans. During her high school career, she also was an active member of Beta Club, Foreign Language Club, served as treasurer of The Fellowship of Christian Athletes, and served as historian of The National Honor Society. For three years she was a member of the PHS Show Choir. Jennifer, a Superintendent's and Principal's Scholar, was listed in Who's Who Among American High School Students and Outstanding High School Students of America. She was chosen to represent PHS at Business Week '89. Jennifer plans to attend college in Mississippi and major in business or law.

Laurie

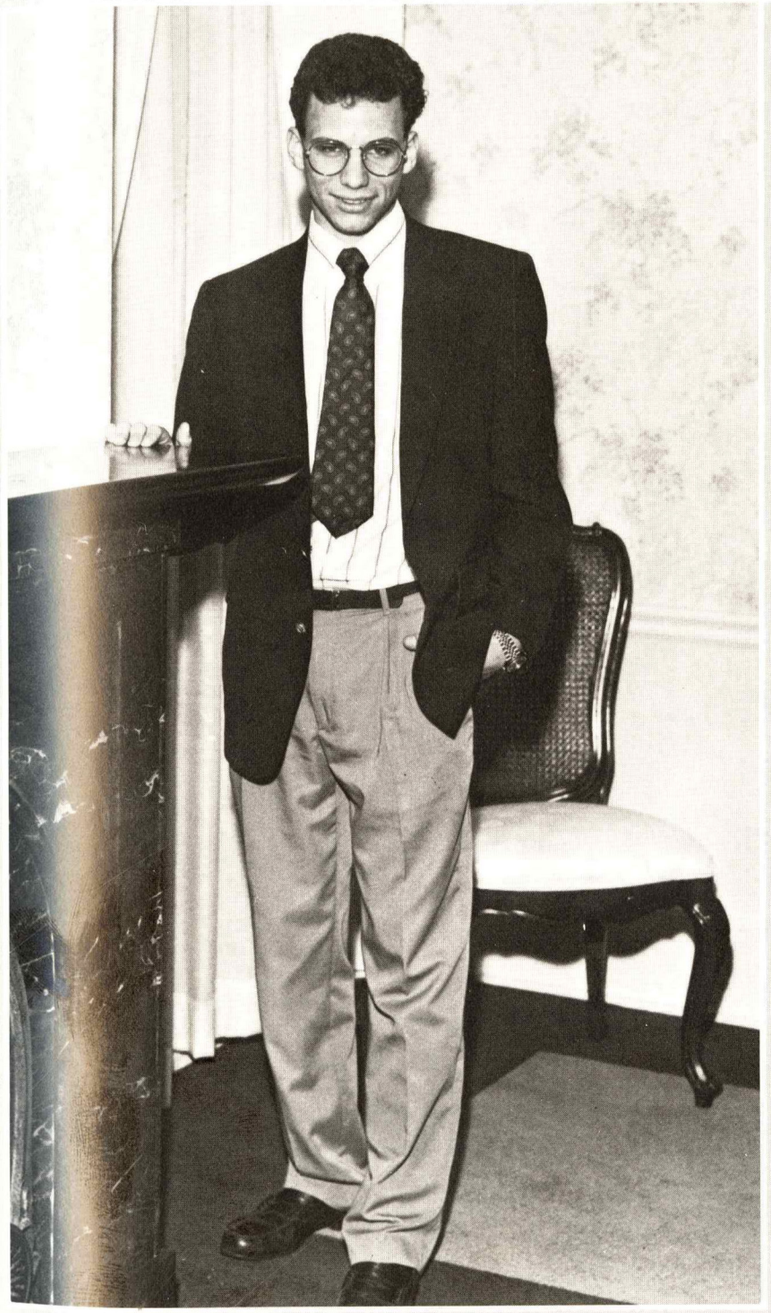
Laurie Bruhl showed her leadership qualities through her active participation in many school activities. She was selected for membership in Student Council and Beta Club for three years, and served as corresponding secretary for Beta Club her senior year. She was also chosen as a member of the National Honor Society, Key Club, and was listed in Who's Who Among American High School Students. Laurie received the scholastic Achievement Award for Gautier, as well as the Overall Presence and Composure Award in the Young Women of the Year Competition. Several of the honors Laurie received while at PHS include: PHS Cheerleader, Class Favorite, and Homecoming Maid her sophomore, junior, and senior year. She was elected Class Beauty her sophomore and junior year and Most Beautiful her senior year. Laurie plans to attend University of Southern Mississippi this fall.

Laral

Laral Chandler was active in many school activities. She was a three year member of the Beta Club and a two year member of the National Honor Society and the Yearbook Staff. During her three years at Pascagoula she was a Bat Girl for the baseball team, and participated in Ideas. In her junior year, she was selected to be a delegate to Girl's State and to attend the Lions' Club Leadership Conference. She also received the Ideas Award and Citizenship Award. This fall she plans to attend the University of Southern Mississippi and major in Biological science.

Robyn

Robyn Ezell proved to be a diligent worker who led by example in clubs, organizations and athletics. She was elected President of her class all three years, received an Annual Class Citizenship Award as a Sophomore and Junior and was a Girls State Delegate. Robyn was Beta Club Vice-President, Key Club Secretary, Student Council Blood Drive Chairman, and a member of National Honor Society. In Who's Who, Robyn was elected a Class Beauty for three years, Class Favorite and Homecoming Maid as a Sophomore and Junior, then MISS PHS, Homecoming Queen and Most Versatile as a Senior. On the Track, Robyn was a record setter, placing first in three events (100m, 200m, and 400m dashes) at the District 7-5A Finals. Robyn plans to continue Track as she pursues a degree from the University Southern Mississippi.



Ben

Ben Fineburg was an active student at PHS. He was a Key Club member for three years and was the Vice President his third year. In the tenth grade he received the citizenship award. In the eleventh grade he received the citizenship award, the French II award, was a member of the PHS Homecoming Court, and he was selected to be a Boys State Delegate. In twelth grade his honors included Elks Club student of the month. Ben was a member of the honor roll each of his three years at PHS. He was also a member of the Beta Club and the National Honor Society. He was a licensed Southern Baptist preacher, and he hopes to attend Samford University where he will receive a Divinity Degree.

Becca

Becca Lewis enjoyed her active years at PHS. She served as Student Council president and representative, Junior Class vice-president, Sophomore Class treasurer, Beta Club vice-president, treasurer and vice-presidential candidate at the state convention, Drama Club vice-president, Attorney General at Girl's State, NASSP National Leadership and HOBY Leadership Seminar delegates, and IDEAS member for ten years. She was also an active member of Junior Civitan, Key Club, NHS, and Foreign Language Club. Her awards included: BPW Senior of the Month, Outstanding Student Council Member, trigonometry, citizenship, French I, Honors English II, math and science competitions, and acceptance to the Mississippi School for Math and Science. Voted Most Likely to Succeed, Becca hopes to major in biological anthropology at Duke University and later attend Law School.

Kez

Kezarrick McCorvey was a member and starter for the 1987 class 5A State Football Champions as a sophomore. As a junior he was voted the best junior football player and acknowledged as one of the more prominant student atheletes in the south. A letterman in football, baseball and track, Kez also earned all district honors in football and was a member of the all State Track Team. He received the great honor of becoming Elks Student of the month, for the month of December 1989. An honor student at PHS, Kez plans to continue his career by attending Florida State University on a football scholarship.

William

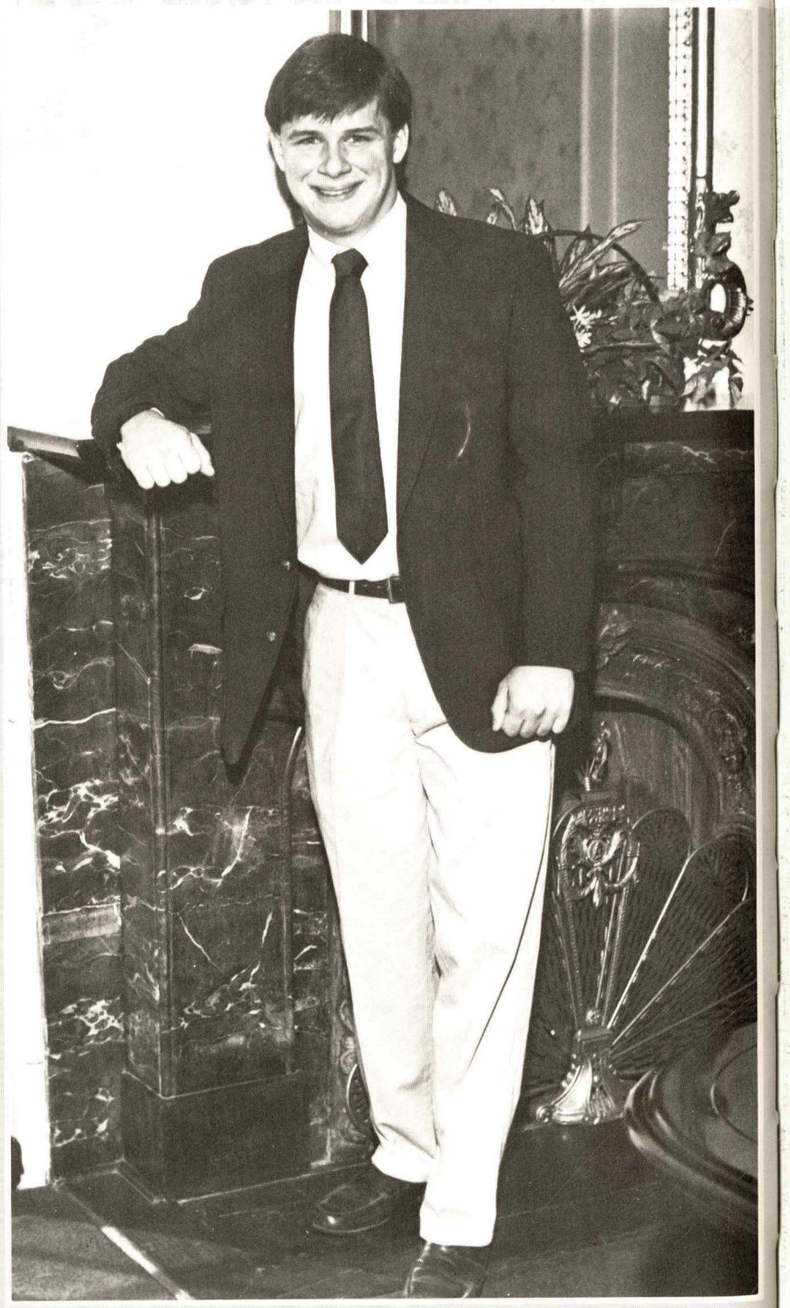
William Rayburn was a very active student at PHS. He was a member of the Panther Football Team since his sophomore year and was voted as a captian his senior year. He was a member of Beta Club during his high school career for all three years. William was also a member of the Teenage Republicans and served as Treasurer of Fellowship of Christian Athletes his senior year. He was honored as Rotary Club Student of the Month, Boys State Delegate, and sophomore citizenship award winner. As a senior he was voted "Friendliest", and was chosen to be a Blue Chip All-American Offensive Tackle. William plans to attend the United States Naval Academy and major in Systems Engineering.

Kristy

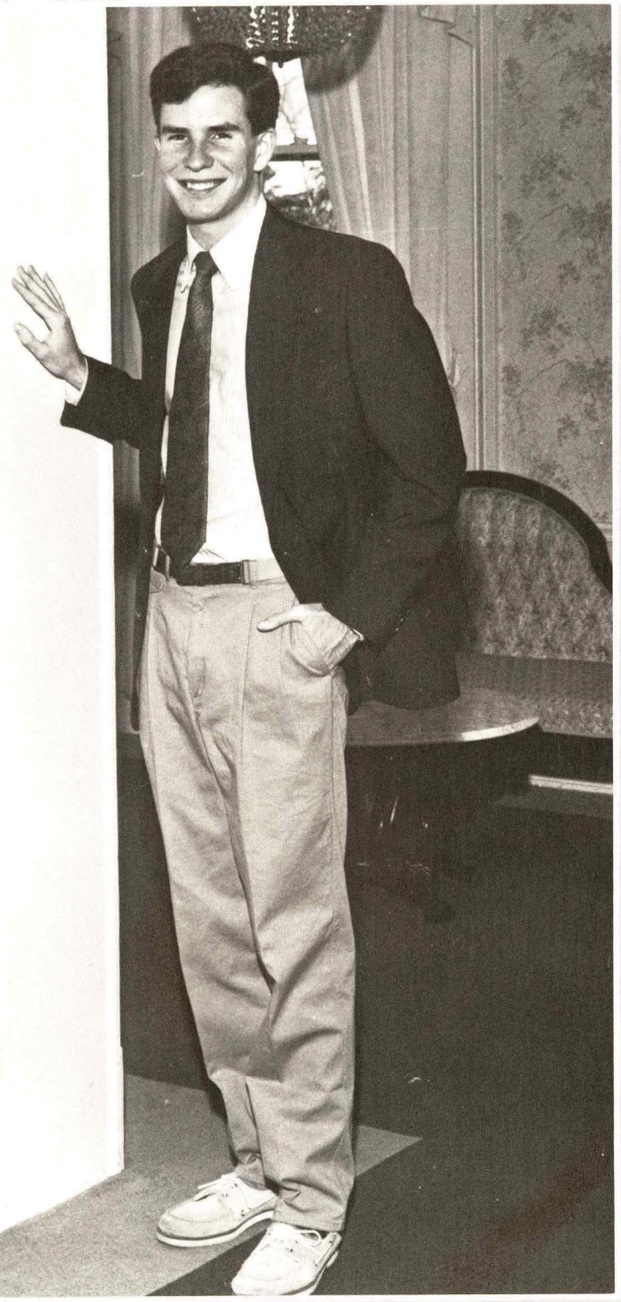
Kristy Reynolds made various memories while attending P.H.S. She was a member of Beta Club and National Honor Society. Kristy was an honor roll member and was listed in Who's Who Among American High School Students. During her junior year, she was chosen as a Girls' State delegate and received the Junior Citizenship Award. As a senior, she was selected as a Student of the Month for the Pascagoula Business and Professional Women's Club. In the spring of her senior year, she was chosen as a Batgirl for the baseball team. Kristy served as a captain during marching season, first chair saxophone in the symphonic band, and served as drum major her senior year. She was a five year participant in the Gulf Coast Annual Band Clinic and a two year member of the jazz band. Kristy plans to attend a Mississippi college and become a certified public accountant.

Sandy

Sandy Sanford was a very active student at P.H.S. He was a member of the Panther football team for three years. In his junior and senior year, Sandy was named Outstanding Offensive Specialty. He was also the receipient of the Don Gibson Memorial Academic Award and the Will Seagert Memorial Award for leadership. During his junior year he received the English III Award and the Woodsmen of the World Award and was a Boys' State delegate. As a senior Sandy served as vice-president of his class. His classmates selected him as Mr. P.H.S., Most Likely to Succeed, and Class Favorite. He was a member of Beta Club, National Honor Society, and Key Club. Sandy was chosen Elk Student of the Month and won the D.A.R. Citizenship Award. Sandy plans to attend Alabama or Tulane.



Eric



Eric Sculthorpe was a member of Beta Club, National Honor Society, Science Club, Foreign Language Club, and Teenage Republicans. He served as President of National Honor Society, Vice-president of Science Club, and as Reporter of Beta Club during his senior year. Eric received an United States Achievement Math Award his sophomore year. During his junior year, he placed first as member of the Physics Team that competed at U.S.M., placed third in the Mississippi State Spanish competition, and won the Spanish III Award. Eric was also named in the Who's Who Among American High School Students during his sophomore, junior, and senior year. He plans to major in pre-med at Mississippi State, University of Mississippi, or University of South Alabama.

SOPHOMORES, JUNIORS, AND SENIORS WERE THE BASIS FOR THE ENTIRE SCHOOL. WHEN WALKING THROUGH THE HALLS, THE SOUNDS OF LOCKERS SLAMMING, BOOKS BEING DROPPED, AND THE CLATTER OF FEET OF THOSE WHO ARE ABOUT TO BE LATE FOR THEIR CLASS COULD BE HEARD. AS THE SOPHOMORES ENTERED THEIR NEW ENVIORNMENT, THEY HAD A FEELING OF EXCITEMENT AS THEY PRAYED NOT TO GET LOST. JUNIORS RETURED WITH THE THOUGHT THAT THEY ONLY HAD TWO YEARS LEFT, AND IF THEY MADE IT THROUGH THIS YEAR, THEY WOULD BE "ON TOP OF THE WORLD!" THE ONLY THING ON THE MINDS OF THE SENIORS WAS TO GET THIS YEAR OVER SO THEY COULD EXPLORE THE "REAL" WORLD. ALL IN ALL, THE STUDENTS TRIED AND MADE THE BEST OF THE YEAR SO THE END WOULD BE JUST AS GOOD AS THE BEGINNING.

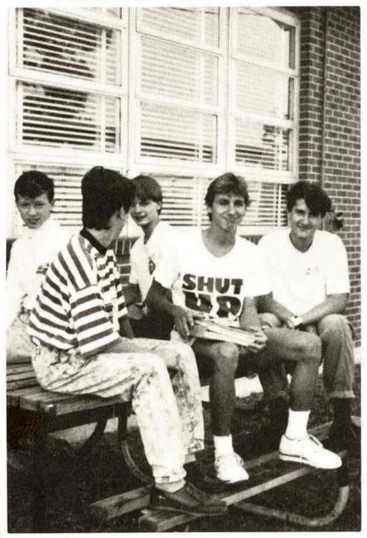
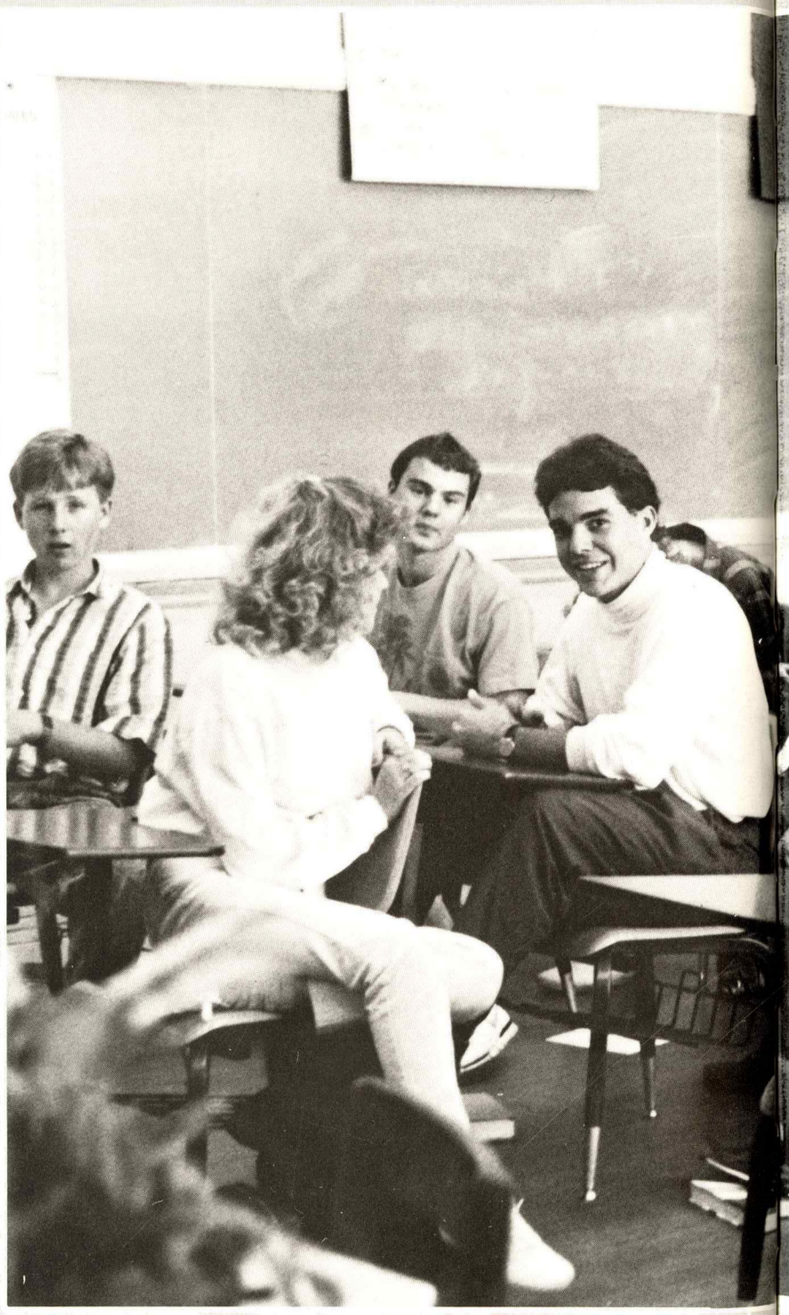
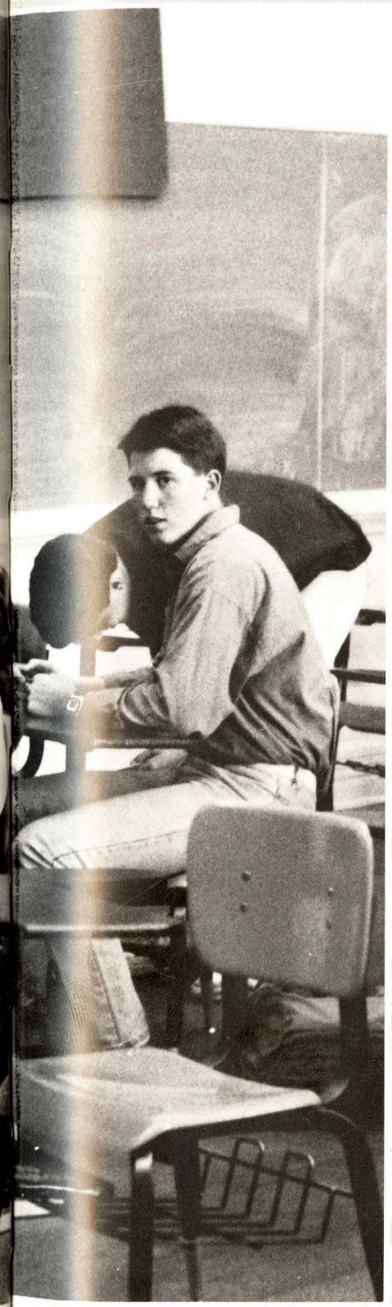
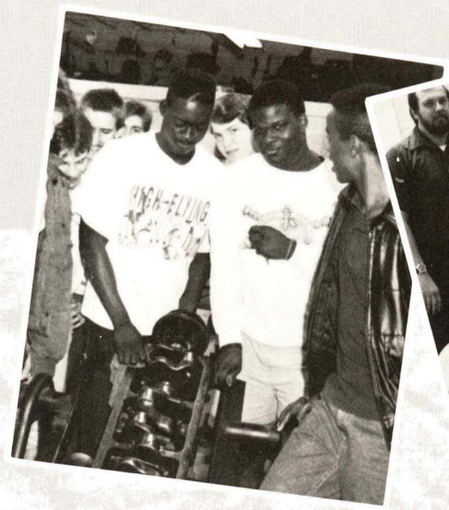
MRS. HNNA'S CLASS "GOOFS OFF" BEFORE THE TARDY BELL RINGS AND WORK BEGINS

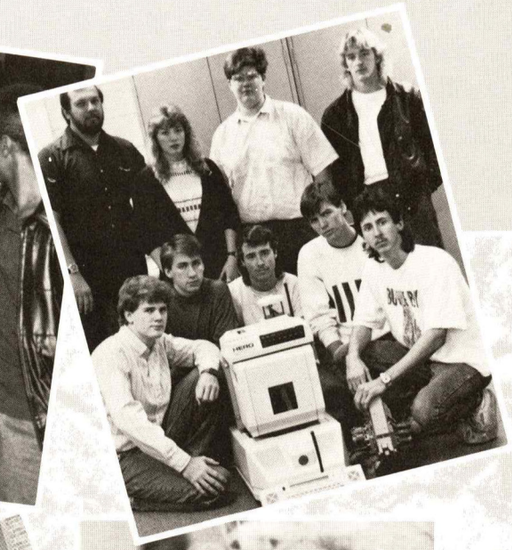


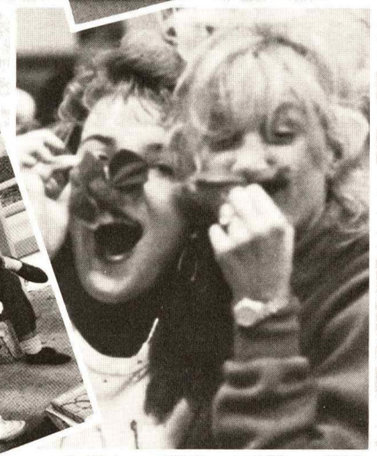
A few of the sophomores take it easy during their closed-campus lunch.



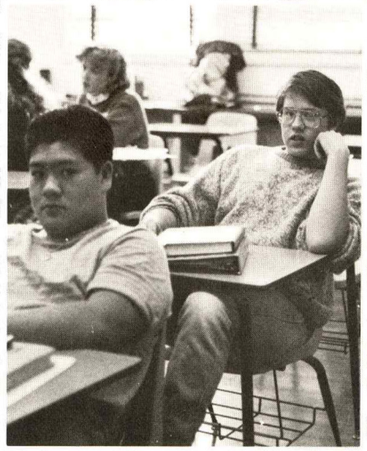








A FEW OF THE VO-TECH STUDENTS SHOW OFF SOME OF THEIR WORK.



THE THIRD DIVERSIFIED TECHNOLOGY CLASS IS HAPPY ABOUT THE NEW ROBOT THEY CREATED.

CHRIS BOND, ANGELA ANDERSON, AND INISHA SMITH TAKE A LOAD OFF THEIR FEET BOEFORE THEY DAY BEGINS.

SISY GODFREY AND JENNIFER BALL JOKE AROUND A WHILE BEFORE THEY GO BACK TO WORK ON THE SENIOR FLOAT.

SI HUYNH AND DANNY TAYLOR RELAX A FEW MINUTES BEFORE THEIR GOVERNMENT CLASS BEGINS.

Out of the forties and into the nineties
The senior class begins a second fifty years

Many changes have occurred over the period of fifty years. More students are staying in school, graduating, attending college, and in many cases, pursuing a career while attending college. This is a change for the better since well educated people are necessary in this ever-progressing world.

High school graduates are now better equipped for the demands of modern living since they must pass the Functional Literacy Exam in order to obtain a high school diploma. While still in high school, many are gaining valuable job experience through co-op programs which were not available fifty years ago. Especially important in this computer age are the computer classes. Now students have a more varied curriculum and a variety of electives from which to choose.

To be accepted into a college of their choice, the students must score a required number on the American College Test. In this era, students may be required to take many more tests before college entrance.

On the P.H.S. campuses, change can be seen in the increasing number of cars and the problem of parking space. Many years ago students could not leave the campus for lunch and now they have the privelege of eating lunch at one of the numerous fast food restaurants.

Rules involving types of clothing are not as strict and students are free to express their individual taste in clothing as long as it is decent. Attendance rules are enforced more carefully now since time has proven that regular attendance results in better grades.

Students now have so many choices, privileges, and opportunities that were not available fifty years ago, but the friendships formed during high school days and the ability to learn never seem to change.

Senior class shows dedication

A description of any one of the senior class officers would include the words hardworking, dedicated, spirited, energetic, and efficient. All of these qualities are required to perform their many duties and responsibilities. In addition to the regular weekly meetings, many extra hours are spent planning and completing the numerous events and activities that occur throughout the school year.

In the fall much time and effort was dedicated to preparing for the homecoming dance and working on the winning senior float. Other activities which were organized included choosing the class song and motto, fundraisers, election, volleyball tournaments, and the popular Almost Anything Goes.

Because of the enthusiasm and hard work of these class officers and the helpfulness of their sponsors, Ms. Hammond and Mr. Davis, the class of '90 can look back on the many memorable events of their senior year.

Exchange students exchange ideas with PHS

This year PHS was once again proud to participate as a host school for foreign exchange students. During their stay in America they formed opinions respectably on our way of life compared to their own.

Irene Diaz Garcia from Spain comments, "In Spain the school day lasts longer. I go from 8:30 a.m to 5:30 p.m." **Linda Sinquest** of Sweden notes, "The schools don't have as many students, the classes are smaller, and the rules are much stricter. Futhermore, **Jane Norby** of Norway added, "We have three grades. Once you reach high school, you have grades 1.g., 2.g., and 3.g. The rules aren't as strict, and a student can skip class if he wants, as long as it's not the same class more than three times a week. The lifestyles and activities also vary from country to country, Linda says. "The lifestyles are almost the same, but maybe we have a high lifestyle.

Everything is more expensive and sports are also very popular." Jane expresses that "It's about the same.

There are a lot of discos in Denmark. Normally a person has to be sixteen to get in."

When asked about their likes and dislikes associated with their stay in America, Irene replies, "In America generally I like everything. The only thing I don't like is that the majority of the people do the same thing. It's kind of boring." Linda replied by saying, "I like to be in this country to learn more about it. Everyone has been so nice and helpful." Jane closed by saying, "I like America. It's so big and there are so many things here that we don't have in Denmark like shopping malls and McDonald's. In Denmark we don't have kids drinking when they are 15 years old and there are hardly any drugs." PHS is proud to be a sponsor of the exchange student program and the students enjoy having teenagers from other countries going to our school. It is a good learning experience for students to exchange ideas, customs, and find new friendships. PHS hopes to continue this program for years to come.

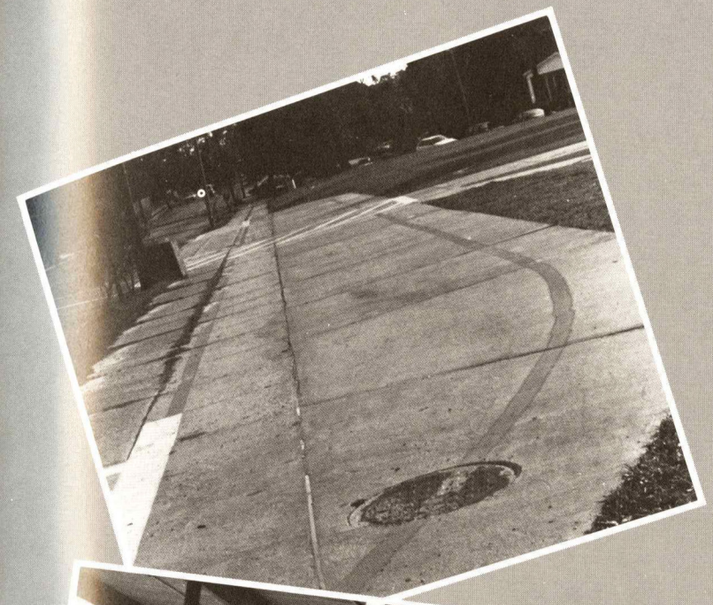
Handicapped facilities added to the campus

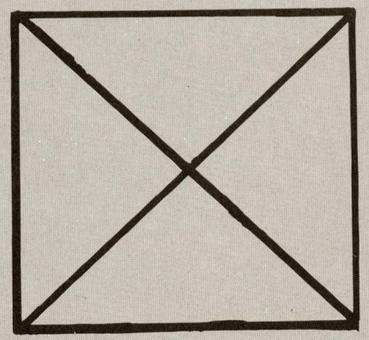


This year P.H.S. has added new facilities to make things more convenient for students. Among these are the new handicapped facilities. Since we now have more handicapped students attending this campus, ramps and driveways have been added to aid these students in getting around. These ramps provide an easier and safer way for a student in a wheelchair to get past the crowded and bumpy stairs. Also, the driveways have been added so the buses can drive up closer to the school and out of the road, making it safer for students who ride the shuttle bus.

Although everyone may not take the time to notice how much of a convenience these facilities are, everyone has used them in one way or another, and they are greatly appreciated by our students who really needed them.

by Vicky Perry and Janet Webb

Top Left: Buses use these driveways for the safety of students loading and unloading the shuttle buses.
Bottom Left: Handicapped students use these wheelchair ramps to gain access to various parts of the campus.



I VOTED

Bryan Williams, Cindy Schumacher,and Jennifer Backel take time out to vote.

Robin Sanford waits while Dee Alexander casts her vote.

Elections: An Important Process

One of the greatest privileges of living in America is voting in elections. It is also a great responsibility to help choose our leaders and decide on other issues which affect the quality of our lives. In order to prepare for the privilege and responsibility of voting, PHS held elections many times during the year.

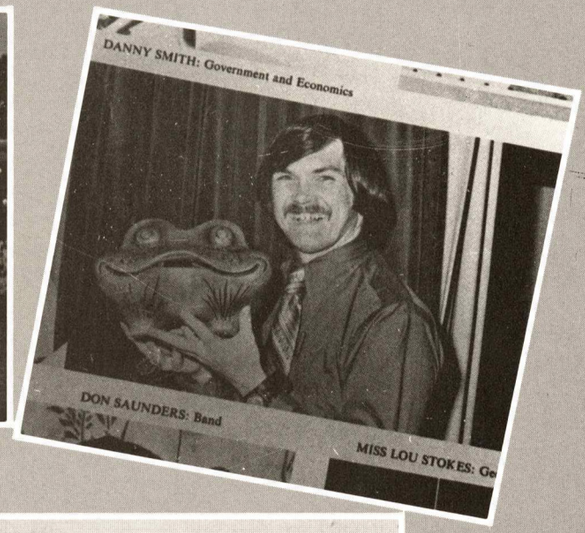
Our school elections were based on the same procedures that actual elections follow. The candidates compete for votes with campaign posters and stickers. All of this is designed to provide incentive for the students to exercise their right to vote.

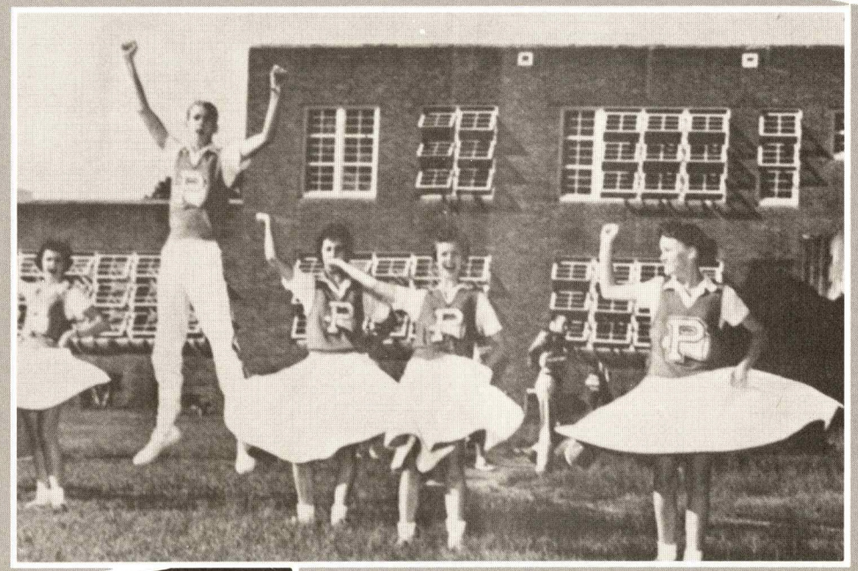
When election day arrived, the student chose when to vote during school hours, just as the public can choose when to vote when the polls are open. When each student votes, he must have his identity verified and he then is provided with a ballot. After making his selections, the student then places the ballot in the locked ballot box. All of these precautions insure an honest and fair election.

Voting is not time consuming or complicated, and it is a worthwhile and rewarding experience. Our school elections give us an opportunity to practice accurate voting procedures and to learn that our vote does count.

by Vicky Perry and Janet Webb

That Was Then.....





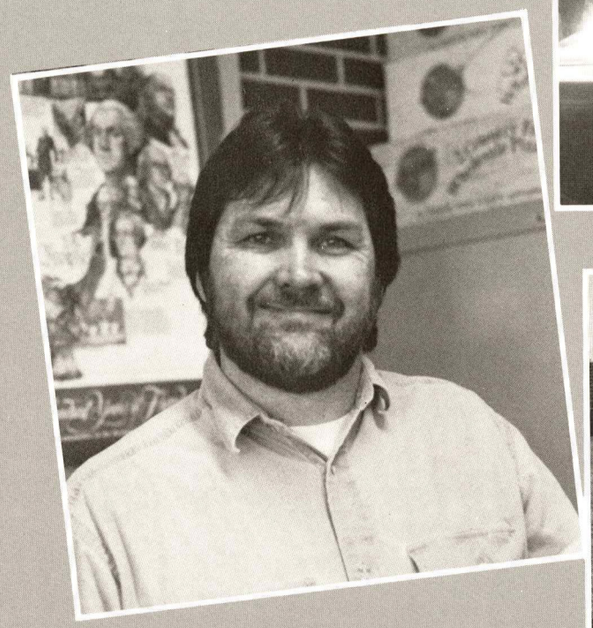
Through the years, fads and fashions continue to change, but traditions remain the same. These pages display the interesting changes that have occurred over the years. Homecoming activities, the prom, cheerleaders, and floats are basically the same even though we like to think that our clothing and hairstyles, uniforms, and decorations are more sophisticated now. Probably in the future we will look back on our high school years and wonder why we wore our hair like that and how we could have chosen that type of clothing.

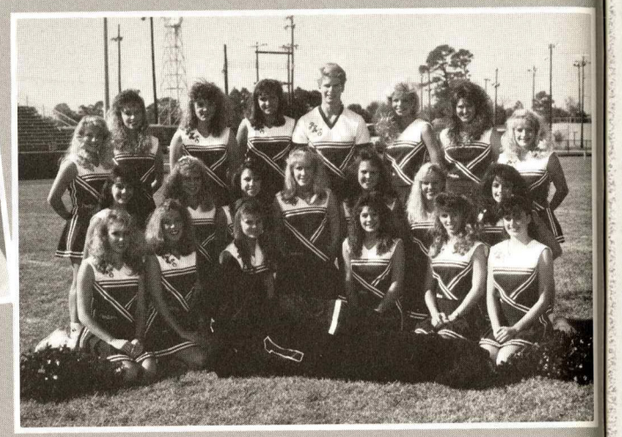
Although the changes in the style of music cannot be seen, the band performances reflect the latest trend in music along with a few popular "oldies".

Memories of our high school days are varied. We will remember the changes in styles and trends with amusement, but the traditions and ceremonies will be remembered with nostalgia.

by **Janet Webb**

This Is Now.





Junior class officers achieve goals

This year's class officers started the year off right by designing and building a great class display for homecoming. The theme was "Rambo the Rebels." Junior class members came out to support and help build the display that won second place.

The next important job on their agenda was to raise money for the annual junior/senior prom. The class accomplished this feat by selling M&M's.

During the Christmas season they helped the needy families in the community by donating toys for the Toys for Tots campaign. This project helped Jackson County children have a brighter Christmas.

Theis year's junior class officers enjoyed leading their class through an enjoyable and successful year.

PHS VO-TECH CENTER

Meets demands of future

The P.H.S. Vocational Technical Center is the second largest vocational center in Mississippi. It provides fourteen training programs and four co-operative programs this year. Students who are members of VICA, DECA, and FBLA participate in local, district, and state competitions each year. The purpose of each program is to prepare students to enter the job market with or without a college degree. Due to the technilogical advances of today's world, each program has had to make adjustment to include these advances.

Pipefitting The major emphasis in pipefitting is the study of pipe as it relates to our local industrial needs. The students practiced their skills with such projects as the building of the reindeer for Christmas yard displays and benches and tables for various schools in our district.

The P.H.S. Vo-Tech Center is located on Market Street across from the P.H.S. Annex.

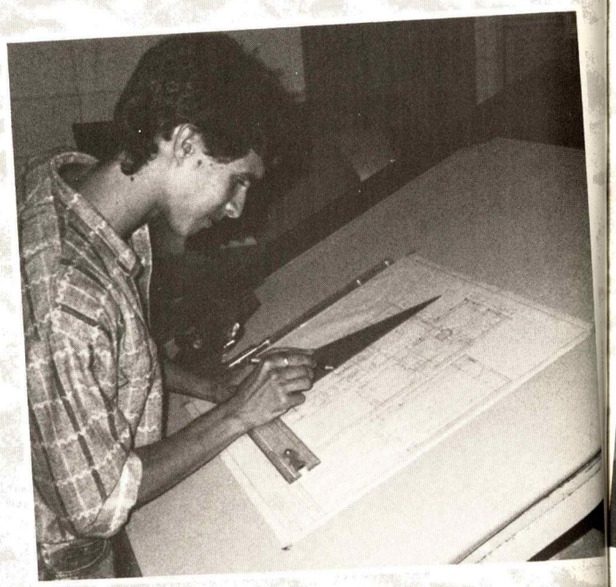
Students in the pipefitting class concentrate on the guest speaker.

Keena Magee, Lillian Lewis,and Angelique Ward check over the candy that is sold in the break room.

VOCATIONAL

Welding As students in welding studied the many different types of welding, the students completed many different projects. An example of these projects are the benches located at the Annex and junior high campuses.

Drafting Computer assisted drafting provided students with the basic knowledge to perform drawing procedures on the computer as well as the basic skills involved in machine and architectual drafting.



Diversified Technology This course was dubbed "McGyverland" as students were introduced to the many concepts, theories, and applications of the high technology of today. These students received hands-on experience in the area of robotics, lasers, electronics, hydraulics, mechanical systems, and many computer applications.

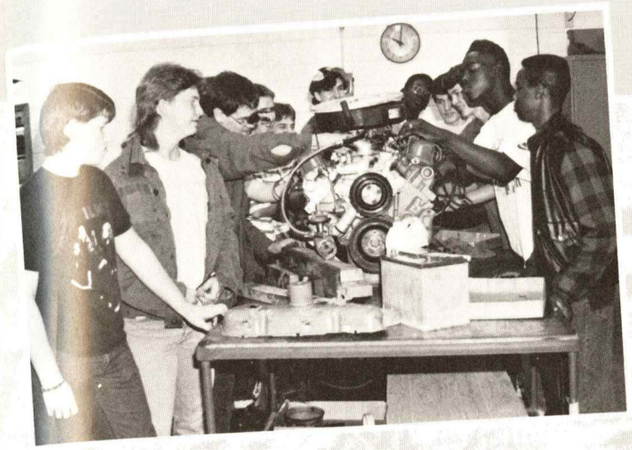
Chris Stone practices his welding skills on a metal box.

Mike Hill busily draws out plans for a building.

Diversified Tech students, Paul Wood, Steven Stokes, Thomas Neely, Garland Keebler, Cameron Mason, Timmy Mosely, and Brian Davis, look over plans that instructor Daryl Goldman hands them

TECHNICAL

Auto Mechanics The auto mechanics class provided the necessary knowledge and training in all aspects of the gas engine for those students wishing to become auto mechanics. These students gained practical experience as they worked on the credit union cars as well as cars belonging to students and faculty.



Carpentry The basic concepts of housing construction form the foundation for carpentry class. Upon completion of this program, students are ready to enter the construction industry. During the course of the year, the students constructed sixteen utility buildings to be sold to the public.

Cosmetology Students who were interested in entering the cosmetology field began their training in the summer after their tenth grade year. Each student completed 1500 hours of class and lab during this two and one-half year period in order to take the state exam after graduation.

Auto mechanic students intensely study an engine.

Wesley Pry installs electical sockets in one of the many utility houses.

Karen Lurvey watches Shineca Atterberry style a manniquin's hair.

VOCATIONAL

Intensive Business Training I.B.T. introduced prospective secretaries to all phases of secretarial work, from the use of the telephone to electronic calculators to dictation machines to computers.

Business Computer Applications Business Computer Applications gave students a strong background in the use of computers in the office setting in such areas as word processing, data management, electronic spreadsheets, computerized graphics, automated accounting, BASIC programming, and desktop publishing.

Business Co-operative Education Business co-op provided an opportunity for office-related on-the-job training. These students attended school for part of the day and then reported to work in an office for the remainder of the day. They earned high school credits as well as wages.

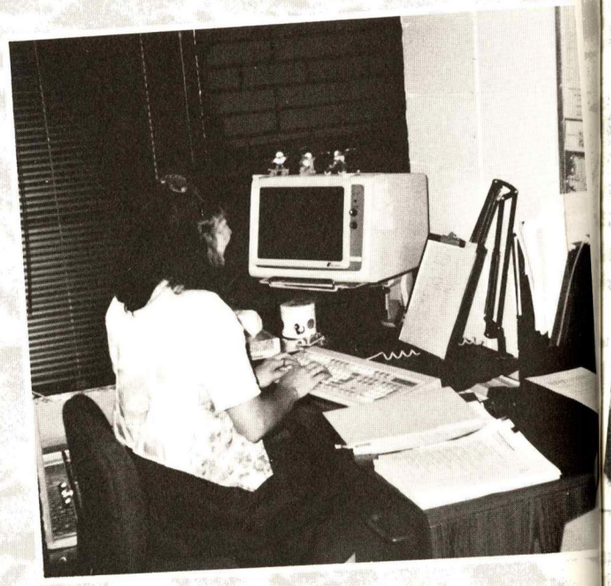
Diversified Occupations Co-op This program provided an opportunity to put the skills learned in craft programs to work while earning an income. The students worked in a variety of locations.

Home Economics Co-operative Program In home ec. co-op students were provided with a part-time job in a home economics related field such as child care, home and institutional care, and foods.

Marketing Co-operative Program This provided part-time employment in the retail sales field. Students were placed in jobs such as stocking, selling, and cashiering.

Electronics In this course an introduction of each electrical skill was followed with practical experience provided in the lab. Students built circuits, wired door decorations and Christmas lights, wired the mock-up of a house that is in the lab, as well as wired some of th utility rooms that Carpentry built.

Business Computer applications students busily work on an asignment.



Tonya Slater word processes for a local business.

Tony Cooper, Richard Horseley, and classmates work on the star for the Christmas display.

TECHNICAL

Marketing Students gained experience in all aspects of the retail sales fields as they studied cashiering, displaying, advertising, stocking, and selling. Practical experience was gained as the students prepared displays and stock set-ups, as well as running the break room for other vocational students.

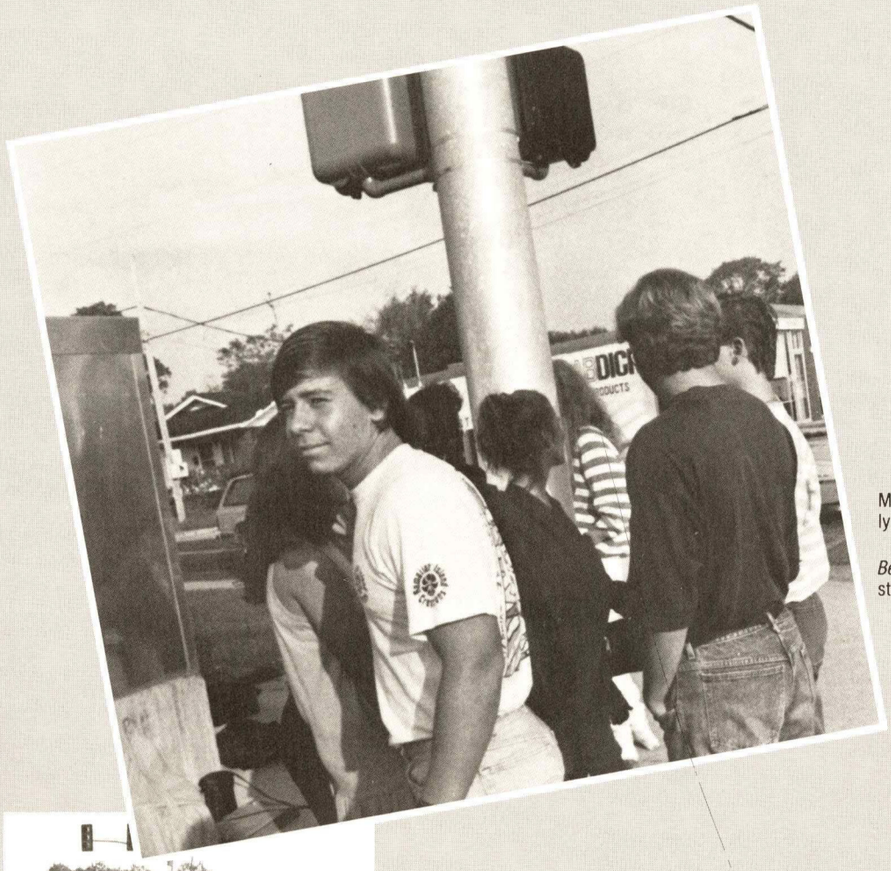
Printing During the Christmas parade, the printing students spread Christmas cheer as they entered their Smurf float in the local parade and visited with children at Singing River Mall. During class time thse students studied and practiced printing skills as they printed the distirct newletter, *Visions*, and other forms, letters, and pamphlets needed by the district.

Mike Knippers, Devita Penn, and Darvey Milley serve the senior citizens lunch.

Mr. Fisher and his printing class discuss plans for their next project.

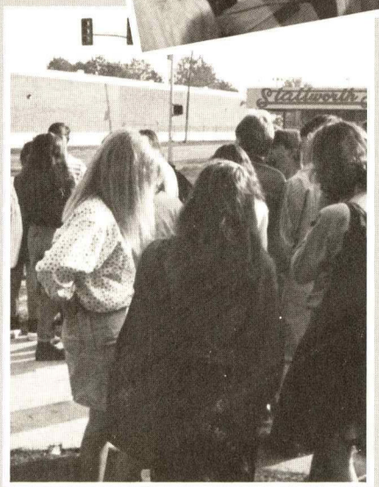
Rhodesha Williams, Tracey Pugh, Ross Williams, and Vincent Wallace prepare foods for lunch.

Annex-new rules, new friends, new beginnings.



Michael Ennis and others wait patiently for their chance to walk.

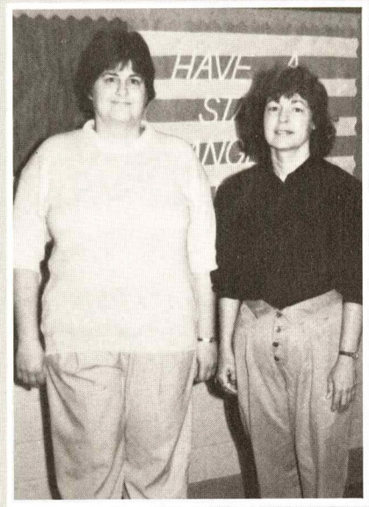
Below: To wait is the choice many students make.



New crosswalks are better and worse.

Pascagoula High School Annex sees yet another "better" idea, the crosswalks on Market Street. During the summer, the city of Pascagoula decided to improve Market Street by adding traffic lights at nearly every intersection and along with these lights came "WALK" and "DON'T WALK" signs. This seemingly good idea is, of course, a safer one; but students only see it as inconvenient. The problem is that, most of the time if they wait for it to say "WALK" they receive an hour for being late for class. And on the other hand, if they cross when it says "DON'T WALK" they risk the chance of receiving a $46 ticket. Unfortunately the only solution to this problem is, to get used to it.

Class officers and representatives lead sophomore class



Top Left: **Class Officers**- Jennifer Ros, vice-president; Julie Bird, reporter; Kerri Killingsworth, secretary; Nancy White, treasurer; Kirk Kinard, president

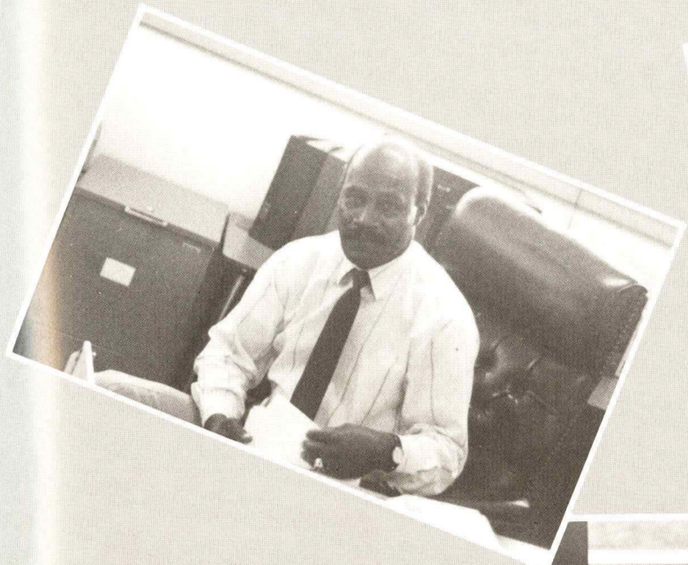
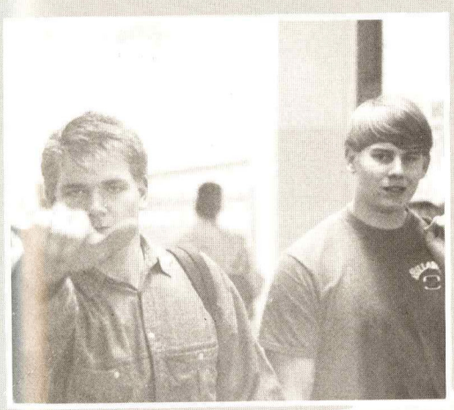
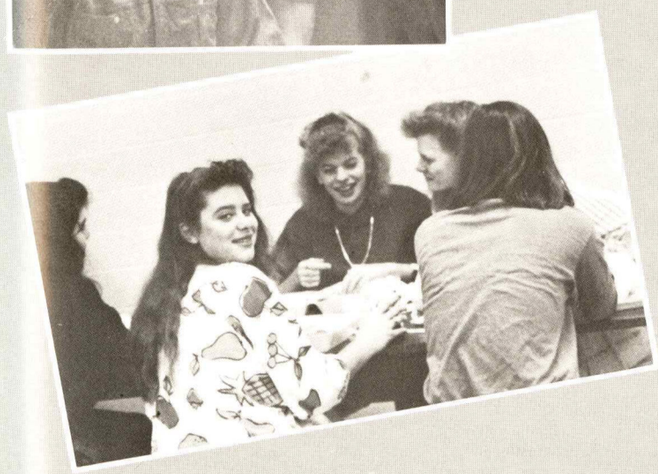
Friendly Faces at the Annex







(top left:) Even with **Mr. Vaughn's** busy schedule, he always finds time for the students.

(top right:) **Manina Dill** poses for a smile between classes.

(above right:) **Julie Bird** and **Kim Gulley** are caught socializing on their way to class.

(above left:) **Glenn Slater** and **James Smith** make a gesture on the way out of school.

(left:) **Misty Matta** and friends enjoy their lunch on the Annex campus.

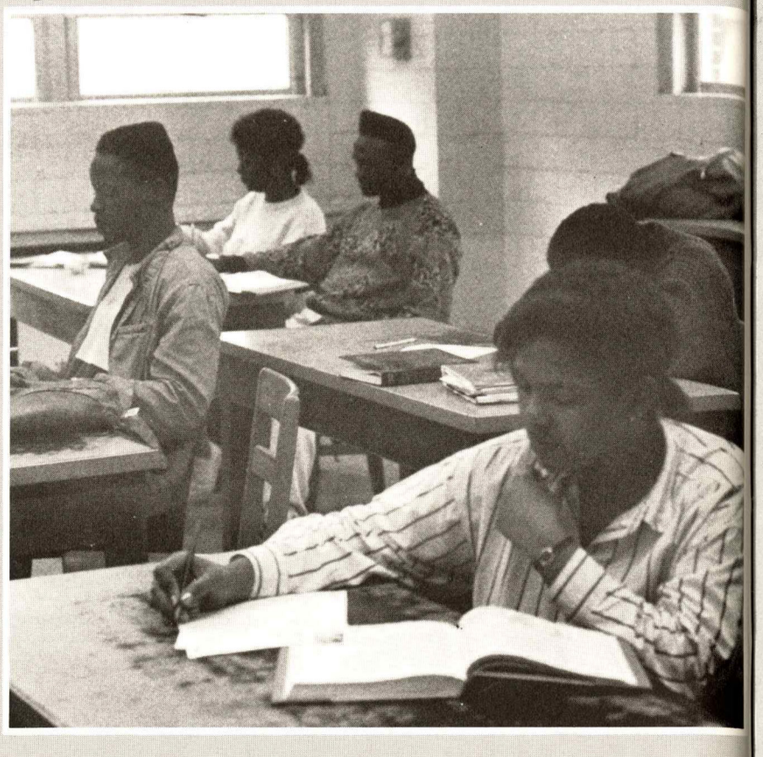
The Annex — a fresh start

As the '89-90 sophomores reached the Annex campus so began a new school year full of new friends, new teachers, new classes, and new activities.

The students joined clubs such as Foreign Language Club, Junior Civitan, F.C.A. and others. They also participated in school events to insure that the school year would be successful and fun. Just one of the many events for the students to participate in was the making of the sophomore class float which was entitled "Honey I Shrunk the Rebels." Hard work and dedication were put forth from the students to complete the float so it could be displayed at the homecoming football game on October 26, 1989.

Another event was "The Pie in the Face" which was sponsored by the Student Council. At the Annex, **Mr. Vaughn** was chosen as the person to be hit with the pie. For some it was a joy watching the principal get a pie in the face! These events were a great way to make memories that will last a lifetime.

As the end of the school year came closer and closer, the sophomores took one more step toward another year of success and another step toward graduation. Good luck to the class of '92.



Top: These students at the Annex are hard at work in Biology class.

Right: **Mrs. Carpenter** is a new addition to the super staff of teachers at the Annex.

Left: **Larry Bates** and friends stand outside waiting to return to the classroom after lunch.

A silent partner

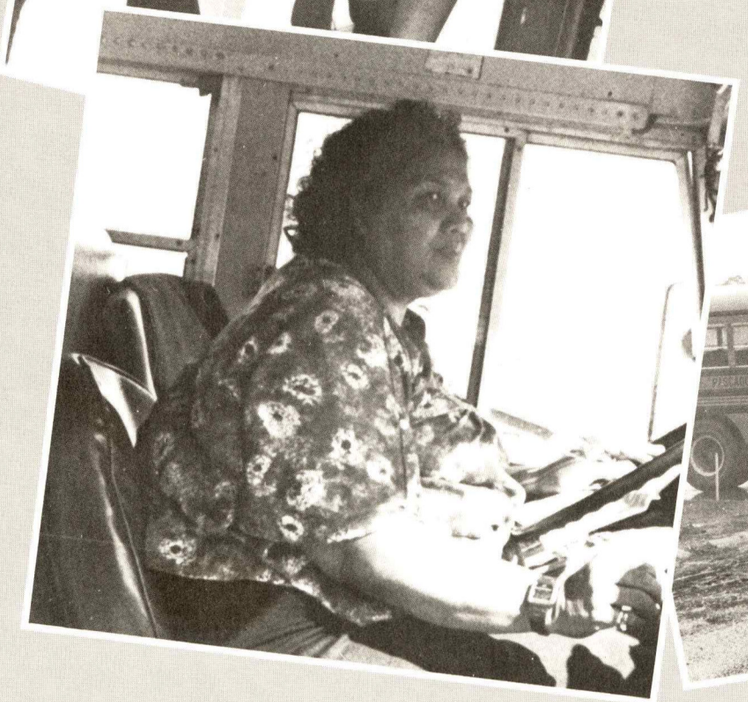
It was a small box that I was assigned to at the Annex. All of my possessions were to be kept in that small box during my sophomore year.

This box had a number printed on the top, but I learned where it stayed and soon forgot that number.

There it stood, day after day. It provided me with a chance to talk with friends secure something private, or just hold my school books. It was all there.

It never spoke — only responded, and it got me through the day. My friend! My locker!

by Kim Deveau and Suzanne Smith



The shuttle buses — convenience or nuisance

The shuttle buses that transport students from the Annex to the high school have a mixture of good and bad qualities.

The buses tend to be a problem for students. They are noisy, uncomfortable, and crowded, and when it rains, they are WET. Students complain about the problems buses cause, but without them, it would be the student's responsibility to get from one campus to the other without being tardy.

Despite the bad qualities of the buses, they provide a easy and convenient ride for students.

by Kim Deveau and Suzanne Smith

Pulling together with new friends

Friends were a basic requirement of school this year. They helped each person to survive the days as well as every aspect of his or her social life.

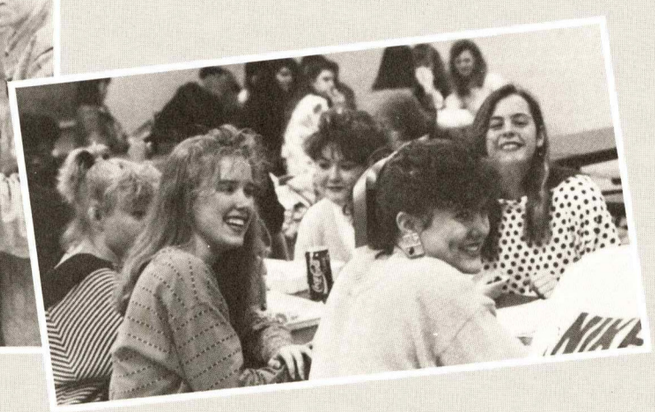
Without friends it seemed almost impossible. The security of junior high school friendships was suddenly taken away as the class of '92 made their way to the Annex.

The merging of three junior highs was a stressful ordeal to incoming sophomores. But shortly after school began, the rivalries gave way to many new and life-long friendships. **Kerri Killingsworth** and **Ginny Blazick** are two sophomores that pulled together from different schools. These are just two of the many examples of the new friendships that were formed at the Annex campus during this year.

by Kim Deveau and Suzanne Smith

These sophomores enjoy eating and conversing in the lunchroom despite the closed-campus lunch regulation at the Annex.

Even though the campus is closed at lunch, these Annex students seem to have adjusted very well. **Julie Bird, Jerusha Longmire,** and friends enjoy their lunch. These students look forward to having a chance at open-campus lunch when they reach the main campus in their junior year.



LET IT BEGIN

teaching . learning . . in classrooms

THE BEGINNING OF A NEW SCHOOL YEAR IS JUST AS EXCITING FOR TEACHERS AS IT IS FOR STUDENTS. TEACHERS BEGAN EARLIER THAN STUDENTS TO PREPARE LESSON PLANS, DECORATE THEIR CLASSROOMS, AND THINK OF A NEW SPEECH FOR THAT "FIRST DAY OF SCHOOL" GREETING THEY GAVE THEIR NEW STUDENTS. WHEN STUDENTS RECEIVED A'S AND MANY OTHER HONORS, MOST OF THEM LOOKED BACK AT THE ONE SPECIAL TEACHER OR ALL THE TEACHERS THAT HELPED THEM "MAKE THE GRADE." WHEN TEACHERS SAID LET IT BEGIN, IT CAN HONESTLY BE SAID THAT WHAT BEGAN WAS SOMETHING SPECIAL THAT HELPED STUDENTS ACCOMPLISH THEIR VARIOUS GOALS.

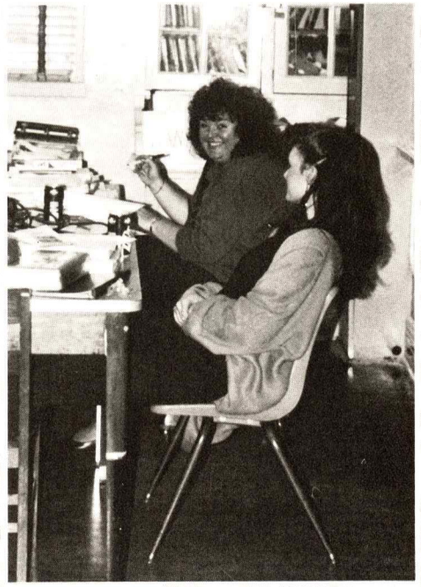
Teacher's Prayer

I want to teach my students
To live this life on earth,
To face it's struggles and its strife
And to improve their worth.
Not just a lesson in a book
On how the rivers flow-
But how to chose the proper path
Werever they may go.
To understand eternal truth
And know the right from wrong,
And gather all the beauty of
A flower and a song.
For if I help the world to grow
In wisdom and in grace,
Than I should feel I had won
And I have filled my place.
And so I ask your guidance, God
That I may do my part,
For character and confidence
And happiness of heart.



Ms. Hanna grades papers while Renee kicks up her feet after school.

Ms. Coker and Mr. Delecuze enjoy socializing at a party given by the student council.

LET IT BEGIN

Friends Club Involvement • activities •

EACH YEAR WHEN ALL THE ACTIVITIES BEGIN MANY STUDENTS BECOME INVOLVED IN A LARGE NUMBER OF CLUBS. THE BEST PART OF THESE ACTIVITIES IS THE FACT THAT ALL THE STUDENTS HERE AT PHS HAVE AN OPPORTUNITY TO FREE THEMSELVES FROM THE "TORTURE" OF SCHOOL WORK AND ENJOY THE EXCITEMENT OF AN AFTER SCHOOL ACTIVITY. IN ANY CLUB TO BE SUCCESSFUL IT TAKES THE HARDWORK OF BOTH TEACHERS AND STUDENTS. WHEN THE EFFORT IS MADE ON BEHALF OF BOTH STUDENTS AND TEACHERS THE OUTCOME IS WORTH IT.

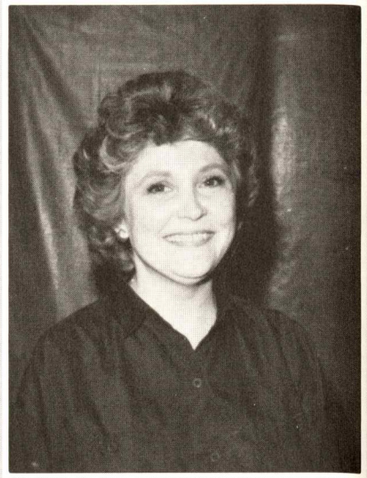
Student Council

finds happiness in involvement



This year the student council was involved in many activities. This deep involvement made each member happy because they knew that they served the student body well.

The purpose of the sudent council was to promote leaership and citizenship and to give sutdents an opportunity to have a voice in the operation of their school. The council sponsored many activities during the year that gave all students the opportunity to participate in a variety of acitivities that interested them.

Some of the activites that they sponsored this year were all spirit days, a work force at all registrations, and a "welcome back " continental breakfast for teachers. They organized all homecoming activities including the parade and the elections. They also organized the fall and spring blood drive that is an enormous help to the American Red Cross. During football season they sponsored the Moss Point door decorating contest. The season of hearts and flowers was enhanced by the council's Valentine flower sale and computer dating match. They ended their successful year by organizing the annual Almost Anything Goes, the school's answer to a fun field day and class competition.

F.B.L.A.

Plans for the future

The Future Business Leaders of America has over 200,000 members nationally. In this club members must be enrolled in business classes. To help students choose their future jobs, they attended workshops, took field trips, and visited different businesses that would help in their career choices.

F.B.L.A. had various field trips that showed them job opportunities. In order to finance these trips, F.B.L.A. had fund raisers. In November some club members attended the Fall National Conference in Charlotte, North Carolina. Other members attended the district competiton at Jones County Junior College on February 8. In March the state competition was held in Jackson. During July club members attended the National Leadership Conference in Washington, D.C.

The clubs' active participation in conferences and workshops allowed students to gain valuable experience that will prepare them for future jobs.

Junior Civitan

Commits to their civic duties

As in past years, the Pascagoula High School Junior Civitan was more than helpful to the community. The main goals of Junior Civitan were to support community and school improvements, develop leadership through unselfish service, and encourage respect for good government.

These goals were evident in Jr. Civitan's activities this year. For the holidays, they gave many services to the community. At Thanksgiving they gave favors to people in the Jackson County Nursing Home in Hurley. For Christmas they purchased and decorated the P.H.S. Christmas tree. During Christmas they helped the Sr. Civitan Club with a party for clients at Singing River Industires. Another yearly project for Christmas was their work to help senior citizens. These projects helped spread the holiday cheer to those in need.

Another project they helped with was the concession stand at the Special Olympics in the spring. During the spring, they had an Easter party for the children at the Domestic Violence Center.

Jr. Civitan helped students understand about the lives of those less fortunate. Highly respected, this club's members and sponsor became a positive role model for the entire student body.

Beta Club has 50th anniversary

And continues to leads by serving others

The purpose of the National Beta Club is to lead by serving others. During it's 50th year on campus, displaying leadership was a major part of the P.H.S club.

This year the club lead in various ways. To show school spirit, the club decorated a truck for the annual homecoming parade. They also sold spirit stickers that boasted many "Go 'Goula" slogans. The community saw Beta leadership as several members participated in a project for the elderly. One of the main events of the year was the celebration of the club's 50th year on the P.H.S. campus. Hundreds of people came to the induction that included guest speaker Senator Trent Lott and members of the founding chapter in the class of '39. The P.H.S. chapter has the honor of being the oldest Beta Club chapter in the state of Mississippi.

The year ended with a trip to State Convention in Biloxi. Kirk Simm ran for an office and the P.H.S. Members had the valuable experience of running a candidate the state slate. This year Mrs. Pam Halbrook joined Mrs. Judy Frye as co-sponsor. Through their effective leadership the club's busy year was productive as well as special.

National Honor Society

Takes strides in leadership

The National Honor Society is a service leadership organization in which only academically excellerated juniors and seniors are members.

This year the club provided tutoring for students who needed extra help in classes such as math and science. They also were involved in many community projects that included the annual Easter Seal campaign.

National Honor Society's productive year was filled with purpose. Each project upheld the strong principles of this organization.

F.C.A.

Encourages Christian ideals

If any club is admired more then others, it is the Fellowship of Christian Athletes. P.H.S. was proud to have a high number of students involved in this Christian club. Although the club consisted of athletes, it was open to any student who wanted to be involved in its activities.

This year F.C.A. began their activities with a float in the homecoming parade. "Roast the Rebels" was the theme they chose to convey their spirit.

In February the F.C.A. attended the state convention in Jackson. Other activites included guest speakers that attended their before-school meetings.

The goal of forming a positive influence while receiving and serving Jesus Christ was met while relationships and life-long friendships were formed.

IDEAS

Encourages gifted students

IDEAS students were involved in many activities during the 1989-90 school year. One of their exciting activites included going to New Orleans to see "The Fiddler on the Roof". They also had the opportunity to hear Jay Higginbotham speak about his book entitled *Fast Train Russia*.

Each year the members from the different grade levels go on special trips. The sophomores go to the Starlight Express to study space and drama. They also went to the space center in Huntsville, Alabama. The junior class attended the Alabama Shakespeare Festival.

Senior members went to Jackson and met members of the Mississippi State Legislature and Governor Ray Mabus.

IDEAS teacher, Mrs. Charlotte Davis, developed this year of involvement.

NJROTC

Prepares for Naval careers

The Pascagoula High School NJROTC 's purpose was to prepare students for naval careers. It is a three year curriculum designed by the navy to promote patriotism, discipline and a knowledge of the United States Navy.

The 1989-90 school year brought a busy year for the NJROTC. The Color Guard and Drill Team participated in all Pascagoula games and parades. In October forty cadets attended a meet in Pensacola, Florida, and in November the unit held an Annual Inspection which proved to be very successful. In February forty cadets participated in a field meet at Ole Miss. To close their successful year, the NJROTC held their annual Cadet Ball at the LaFont Inn in April.

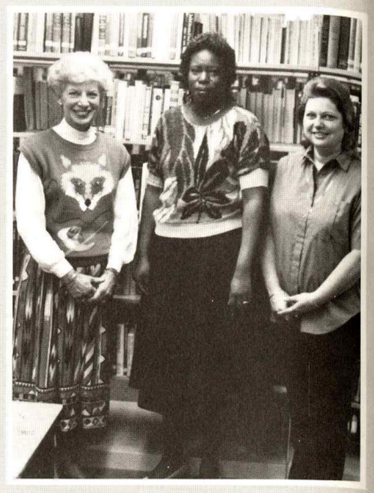
Library Service Club

Encourages student library interest



The purpose of the Library Srvice Club was to increase student interest and participation in the school library, encourage reading, and develop expertise in library skills. It also promoted friendship and cooperation among library staff, faculty members, and students. It consisted of students who participated in library media work and served as student library assistants. Under the sponsorship of Mrs. Judy Eichman, Mrs. Gertha Carter, and Mrs. Linda Lachaussee, the club's first year turned out to be a very productive one.

The Jazz Band

Rocks into the '90's

The jazz band worked hard this year to make their music great. Before school and during first period, band members spent time practicing the latest in jazz and pop/rock music. After they perfected their routines, the band "went on the road," performing at the various elementary and junior high schools in the district. The band, under the direction of Mr. Jerry Ball, was most successful in educating each and every audience in the art of jazz.

by Lisa Carmichael

Art classes

The enjoyment of self-expression

"Art is probably the most fun class at P.H.S.," said one of Mrs. Martin's art students. An art class is sometimes falsely perceived as an "easy A." However, not only did students have fun, but they also improved their creativity and imagination in something they did well.

The subject of art is often more than just the study of colors, drawings, paintings, and sculptures. To many people, it becomes a way of looking at life. Many emotions and thoughts are translated through art. This translation of feeling was easy when students had the guidance of great teachers/artists like Mrs. Lynn Martin and Mr. Robert Wells.

Many students who took this class were very good artists, and they plan to have careers in some field of art upon graduation from college. Others enjoyed the class just for the pleasure of self-expression.

by Allee Anderson

Mu Alpha Theta

Helps Students Succeed

Mu Alpha Theta is an honor society for math. A student must meet specific requirements before being allowed to join the club. Once a student has joined, he is a member throughout high school unless some requirement is not met. Membership can be transferred to a college if the entry requirements are similar.

This year Mu Alpha Theta tried to extend some of their goals from last year. They offered tutoring sessions in algebra and geometry to any student that needed help. This tutoring project was successful.

Among other activities, several club members attended conventions for quiz bowls, individual test competitions, and oral presentations.

With all these planned activities, Mu Alpha Theta promoted an interest in math.

Foreign Language Club

Explores cultural events

The Foreign Language Club had a fun filled year. This club is a combination of students in the French, German, and Spanish classes offered here at PHS. Such a combination makes for an interesting club. Cultural events such as, food festivals and games are just some of the activities they participated in this year. The German class went to a German restaurant for one of its cultural events. Food festivals were a big hit, as students from each class brought food which represented the country they were studying. The students also got to have a taste of the other classes cuisine. European games were part of the festival and proved to be quite educational and fun.

Before Christmas Holidays, German students sold advent calendars to raise funds for events planned.

During Spring Break fourteen students went on a European trip to Germany, Austria, and Switzerland. There they encountered the snow-capped Alps, various castles, and an unbelievable view. This was one of the many educational tours here at PHS that many students love.

For a final event for the year some students, in April, entered the state language competition at the University of Southern Mississippi.

In many way's the foreign language club has opened the minds of the students and helped them acknowledge the cultural differences that exist in the world.

Key Club

Completes community services for the public.

The Key Club has completed many community services for the public this year. Key Club is a community service club represented by Kiwanis Club, a national men's business club. Kiwanis Club participated in many of the Key Clubs activities.

Key Club has helped the community in many ways: Such as food drives at Thanksgiving and Christmas for the needy, an auction at Hancock Bank, and many other activities that contribute to the public. The annual womanless beauty pagent, which everyone loves to watch, was also a contributing service. Half of the precedes went to Our Daily Bread. This is not the not the only way Key Club had fun while raising money. As usual the Key Club had their basketball game vs. P.H.S faculty. Also, Key Club challenged the Biloxi and Ocean Springs Key Clubs for basketball games with the members of both.

Mr. Walker, the new sponsor of this years Key Club, organized the group and did a wonderful job. He also noted a highlight of the year, the special spirit award received by the Key Club while participating in the homecoming parade. This spirit has done much to help the community.

Teen Connection

Helps teens fight drugs

Teen Connection was an organization that fights against durgs. In an effort to remember those who have died in drug related ways, the club sponsored "Red Ribbon Week" during the month of October. To demonstrate a drug free body, the students wore red ribbons for the entire week. In addition, the Teen Connection sponsored Mississippi Highway Patrolman, Pete Collins, who spoke to the entire student body during the "Red Ribbon Week."

D.E.C.A.

Shows a competitive side

This year the Distributive Education Clubs of America was successful in many challenges that showed their competitive side.

For a great start, D.E.C.A. entered a float in the homecoming parade. They won first place in the club division with the "Raid the Rebels" theme.

They attended the Northern/Southern Regional Leadership Conference in New York City on Novemeber 16-19. Going to New York proved to be a wonderful learning experience for the members.

In December D.E.C.A. members had their annual Christmas party at the Vo-Tech. The members enjoyed the opportunity to discuss the success they had during the first semester.

Another event of the year was the club's attendance at the District competition at the University of Southern Mississippi. Seven members were selected to attend the state competition in Jackson in April.

To help replenish funds, the club had a candy fund-raiser during March.

VICA

Develops leadership and skills

VICA is an organization for trade, industrial, technical, and health students. Its purpose is to develop a student's social and leadership abilities as well as occupational skills.

This year VICA helped the community by hosting a food and clothing drive for Hurricane Hugo victims, and a food drive for needy families during Thanksgiving.

VICA students also competed in a Skills Olympic on a distirct, state, and national level.

In the spring the club organized a beach cleanup and picnic for members.

Panther Pen

Reports with more student contributions

The members of the 1989-90 *Panther Pen* had a goal this year that emphasized more student contribution. They worked to gain contributions in poetry, cartoons, and creative stories. With much enthusiam from the student body, this goal was met.

Goal setting began in August as members of the *Pen* got together so they could have an informational paper out on the second day of school. This paper was the first of eight papers that the *Panther Pen* published.

Most of the members attended a seminar at the *Mississippi Press* that was given by Judy Johnson. This seminar dealt with how to improve the entire paper by learning to write in a journalistic style. Anna Raiola, editor, commented on the *Panther Pen* , "I am pleased with the amount of participation from the student body this year. Our goal has been to involve the students in contributing to making the *Panther Pen* a more student- oriented publication."

PANTHER STAFF

The P.H.S. *Panther* staff said **Let It Begin** this year with the many challenges that go along with the new decade and the celebration of 50 years at Pascagoula High School. The staff wanted this yearbook to be the best ever which was a huge undertaking.

To begin with, during the summer some staff members attended a journalist, camp at the University of Southern Mississippi. The staff developed the cover, theme, and art work designs for the 1990 yearbook. Working all hours (and sometimes staying up to 2:00 A.M.) payed off when the *Panther* staff received a superior rating for their work on the 1990 book.

The new year bagan with the staff working diligently to finish the copy and layouts for the ever-pressing deadlines. Though the pressures and stressors were many, fun and memories were made even when staff members were heard to say, "Gee, I hate this job!" Hopefully each member will enjoy their copy of the *Panther* as much as each staffer enjoyed publishing it for them.

Drama Club

Becomes a class act

This year's Drama Club allowed students to show their various talents through several different activities.

To begin the year, they had fun working on their float entry in the homecoming parade. They dressed in a different assortment of costumes that showed their spirit on the "Drama loves P.H.S." float.

During February, the drama club showed their acting talents to every class when they performed two one-act plays. "The Passions of Amoroso" and "Me and My Chorus" were well received by the student body.

On April 26 and 27, they performed a musical program of songs from six musicals.

In May they complimented the literary festival by performing selected scenes from Shakespeare.

From the quality of the club's work, it is evident that P.H.S. had a drama club that was a "class act."

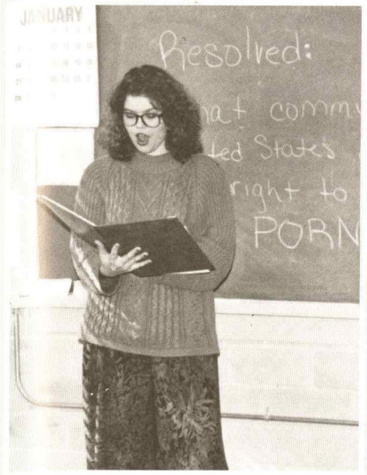
In costume, the Drama Club shows their spirit in the homecoming parade.



Debate Club

Offers a challenging experience

The Debate club was involved in many challenges this year that gave students experience in the interesting art of argument.

First, the debate team studied the National Forensic League's National Debate Topics: "Resolved:
That all United States Citizens ought to perform a period of national service." and Resolved: That communities in the United States ought to have the right to suppress pornography." During the course of several weeks, they researched affirmative and negative arguments for the topics. The next step was to put the research into argument form

To learn this step, the debate club attended two debates that were held in Hattiesburg and Gulfport. There they learned the necessary presentation skills in debating from other schools.

When students returned to the classroom, they were able to debate their topic in four rounds. The team that won earned the most points for debate skill. Members that wanted to compete went to the Oratorical Competition that was sponsored by the American Legion. Team member Carla Habeeb won second place in this competition.

As debate season came to a close, students felt that the experience gained in research and argument was indeed a challenge.

P.H.S. Choraliers and Show Choir have the busiest and best year ever

Finesse is the word used when Mr. Harvie McClure, director, described this year's choirs. "They're excellent!" he exclaimed. "They have a better sound and blend then past years." Mr. McClure bases this on the past nine years he has been at P.H.S.

This was wonderful considering the competition they went against this year. As usual, the two choirs took a trip to Loyola University in New Orleans. Here they performed to see how well they were prepared for competition. In January some students tried out for the All-State competition at U.S.M. The students that qualified for All-State received the opportunity to perform in the All-State choir in April at Millsaps. For their final competition they performed at the Olpryland Music Festival April 19-22. This trip was a lot of fun for the chorus students. To support these trips, the choirs had many fundraisers.

There were many additional performances on this year's agenda. Such performances were at the Lion's Club, Kiwanis Club, Rotary, and the American Business Women's Association. To get younger kids involved in this organization, both choirs visited elementary and junior high schools. A performance which was an honor was the Show Choir's performance at the American Legion Carnival Ball. Other performances were the fall performance in October, the Christmas performance in December, and the spring performance in May. All ere greatly attended at the Jackson County Junior College.

With this busy schedule both Choirliers and Show Choir have lots of practice. But these choirs don't mind because they reached their goal to be the best and have gained the respect of all at P.H.S.

Campers enjoy an early morning practice.

Jason Porier leads his squad and has fun while doing it.

Mr. Ball is "hard at work."

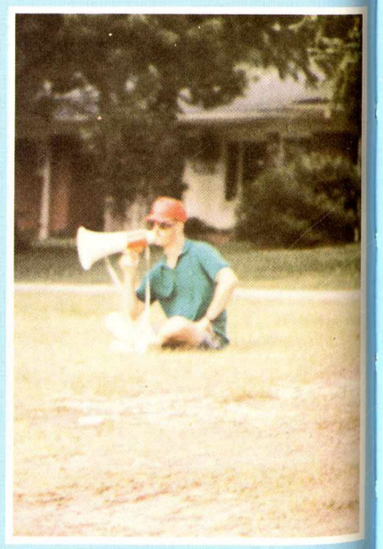
Band camp-the secret of their success

Around the end of the summer when it was still extremely hot, the band was already starting the new school year. The band took a week out of the summer to have their annual band camp at a nearby junior college. The first day seemed to be the easiest, since all there was to do was check in and unpack. The rest of the week was a very rough schedule.

Their work day began at 5:30 A.M. and ended at 8:00 P.M. Each night they scheduled something fun for everyone. It gave members a chance to release all the tension or just act extremely silly. Sunday night was for band council election speeches. Anyone who wanted to run for an office made their speech and tried to be completely serious. That was very hard to do in front of band students who were staring at them. The seniors in the band loved that night the best because after curfew was their annual initiation night. All the sophomores suffered the consequences of being "rookies." On Monday night the guys in the band participated in the womanless beauty pageant. Tuesday and Wednesday nights they had skit and talent shows. This gave people in the band a chance to show everyone other talents they have besides playing their instrument. Thursday night, which was their last night, was the traditional dance. This was everyone's favorite night because they only had one more day of camp. There was only one more thing they did before they went home, that was the most memorable of all. After their last rehearsal on Friday morning, band members had their traditional shaving cream fight. Everyone got creamed including directors, instructors, and chaperones.

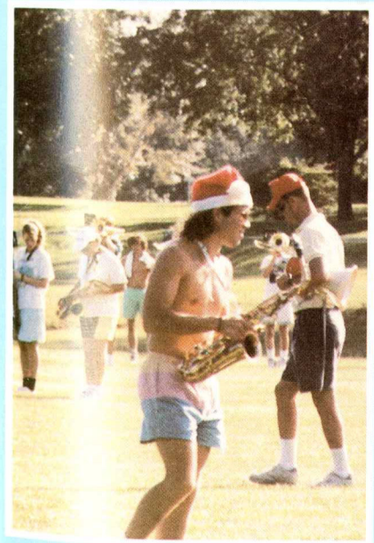
Band camp was the first time everyone began to feel the pride that the Pascagoula Band is known for. The pride was there because everyone worked together as one. That feeling became stronger and stronger as the year went on. Being in the band gave each person a sense of responsibility and a feeling of accomplishment that they could not get just anywhere. Thanks to the pride and the great directors pushing band members to meet our goals, the band has achieved superiors for all the hard work.

by Jennifer Ball



During the first night's rehearsal, the flag corps are already one big happy family.

Ryan Snowden, Jason Thornhill, Noel Hinton, John Hill, Terry Richardson, Mickey Worzella, Jason Porier make their debut in the Womanless Beauty Pageant.



Terry Richardson wins the title of "Tiger Lady."

Band campers enjoy the annual shaving cream fight.

Jason Porier seems to be having fun at one of the early morning practices.

Dedication makes superior band

The Pascagoula High School Band, directed by Mr. Jerry Ball and Mr. Earl Turner, acheived many accomplishments this year.

These accomplishments came about because of the dedication and committment of the members as they attended many before and after school rehearsals. Again, the band's work paid off as they won straight superior ratings at the Emerald Coast Marching Competition in Fort Walton, Florida.

Unfortunately many people still see the band only as a support for football games. The myriad of performances at clinics, concerts, solo and ensemble presentations, and even Lion's band auditions keep band members in the public eye fully during the school year.

As a reward for their spectacular work, the PHS band accepted a special invitation and participated in the Magic Kingdom parade at Disneyworld in Orlando, Florida.

On a different "note," PHS welcomed Mr. Earl Turner as the new assistant band director, who has been directing bands for over 27 years. Out of these years, he directed in the Air Force for 21, and he even directed an international band on the 25th anniversary of D-Day in Normandy Beach, France. Mr. Turner has a tremendous knowledge when it comes to the band, and PHS is glad to have him on the faculty.

Directors and band members should be proud that the time invested and the determination for excellence has kept the Panther band #1 and Panther pride alive!

LET IT BEGIN

in football • soccer • basketball • cross country •

HERE AT PASCAGOULA HIGH SCHOOL BEGINNING EACH SPORT'S SEASON WAS ALWAYS ONE OF THE TOUGHEST THINGS TO OVERCOME. IN FOOTBALL, BASKETBALL, SOCCER, SOFTBALL, OR CROSS COUNTRY, THE STUDENTS WORKED HARD TO ATTEMPT TO GET PAST THAT FIRST DAY OF TRAINING. THE PRACTICES FOR ALL THESE ACTIVITIES TOOK PLACE NOT ONLY DURING THE SCHOOL YEAR BUT ALSO DURING THE SUMMER. ALL THE DIFFERENT CAMPS AND ENDLESS PRACTICE SESSIONS PREPARED THESE STUDENTS FOR EACH VICTORY THEY WERE HANDED. EVEN IF THE RESULT WAS A LOSS, THESE STUDENTS KNEW THAT IT WAS "BACK TO THE DRAWING BOARD" TO "LET IT BEGIN" ALL OVER AGAIN.

BY Dinah Batson

Seniors: Rachel Voelkel, Broocks Smith, Laurie Bruhl

Cheerleaders have "the right stuff"

"The right stuff" is one statement that could describe the 1989-90 cheerleaders. They did an excellent job boosting the morale and spirit of Pascagoula High School students. Rain, heat, nor freezing cold could keep this group of dedicated girls from raising spirit at the football and basketball games.

The cheerleaders achieved this goal of excellence through many hours of practice. Early in the summer they went to cheerleading camp at LSU which was attended by over 100 squads. At the camp the cheerleaders won first place in the dance and chant categories, won the spirit stick each day, and were evaluated with all superiors.

The group, coached by Mrs. Melinda Mitchell, were led by head cheerleaders Jennifer Fulford and Rachel Voelkel. The 1989-90 cheerleading squad should be commended for their dedication to excellence and school spirit.

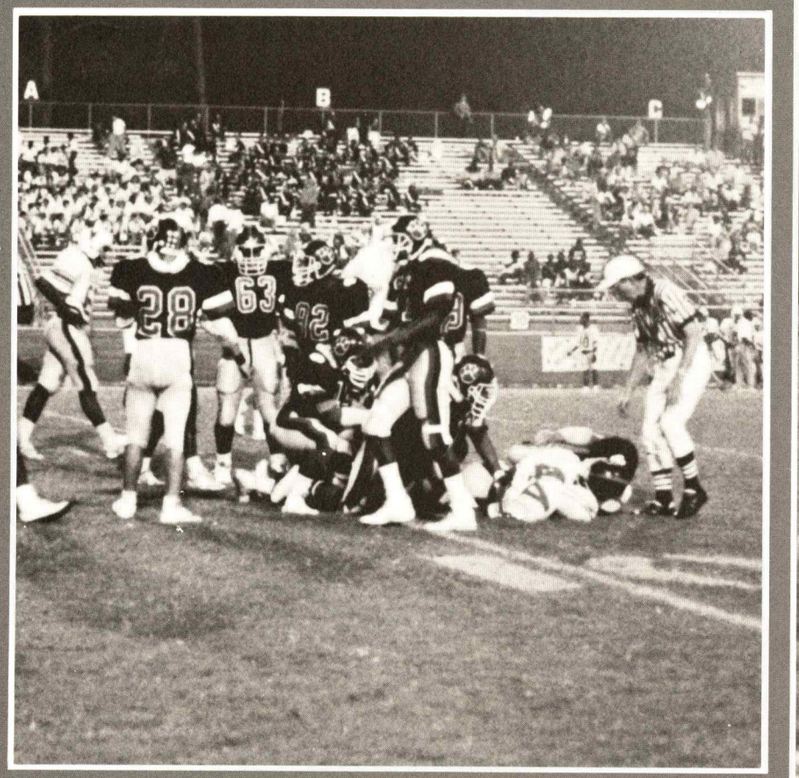
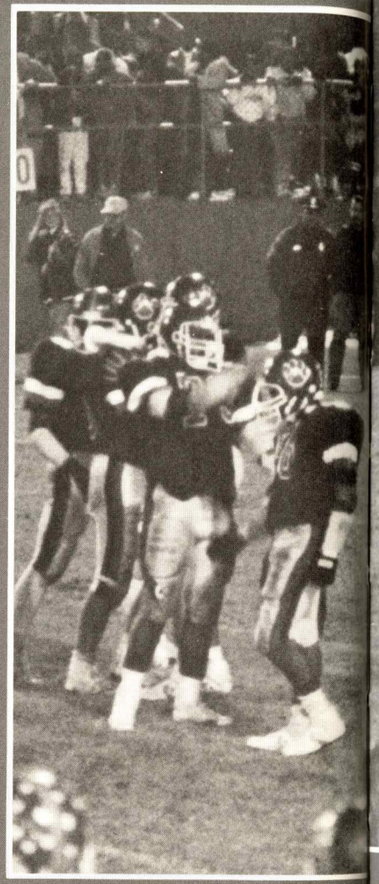
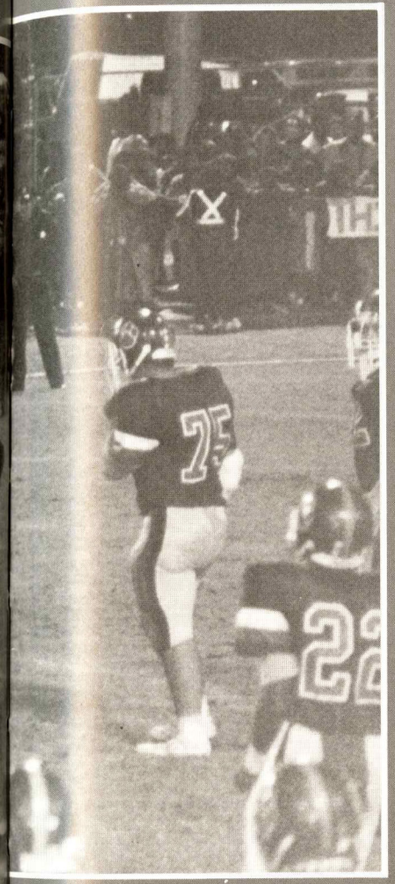
BACK TO BASICS







The Panthers tackle another offensive player.

These two football players discuss the results of the last play.

David Wright reteaches Panther fans the basics of spirit as Chellie Worzella (A.K.A. the Panther) cheers with the cheerleaders.

Back to basics was the theme for the Panther football team this year. The team had to train harder this year then in the past seasons because team was young after losing nineteen starters to graduation last year.

The team first started practice in January. They had spring training for twenty days. In the summer the players would come to the stadium three times a week and work out with weights. Then on August 7 they started practicing almost every day for the 1989 season.

When asked if coach Matthews thought that the Panthers would do as well as they have in the past, he said, "yes!" They set two goals this year. One was to get into the playoffs and the other was to have a winning season. A few factors that have helped them this year is the fact that the seniors wanted a winning season. Another thing was that they support and push each other to do well.

All of the players were hard workers and wanted to succeed. One of the strong points was their quickness. They worked very hard and capitalized on this. On of the weakest points was many of the players were not big.

The Panthers came a long way this year and were in the playoffs. Their final record was 7-4. Coach Matthews believed one reason they did so well was because of the past two winning seasons. The players wanted to match their performance and they did. Congratulations to our Panther football team and thanks for a great season.

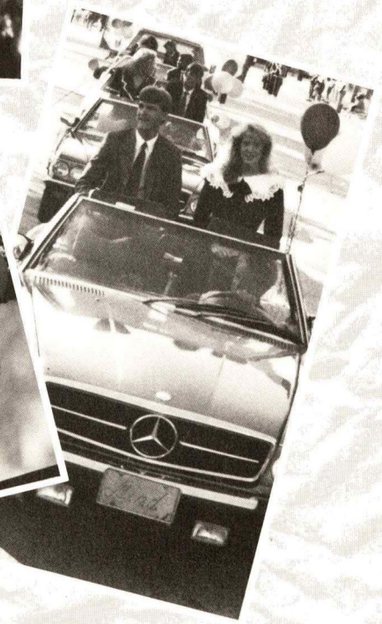
Beta Club members, Jason Broadus, Derek Green, Jay Walton, Matt Halbrook, and Lyn Palmer, enjoy riding in the homecoming parade.

Junior maid Joanna Holland and her escort Richard Wright ride down Jackson Avenue in the parade.



A Spirit filled week . . .

Monday, October 23, began the spirit filled week of Homecoming 1989. Throughout the week students worked on class displays and dressed up for spirit days. Spirit days to remember included "roll up clothes day," "P.H.S. day," "60's day," "twin day," and "red, white, and blue day." Signs such as "Rip through the Red Rebels" and "Roll over the Rebels" could be seen throughout the halls of all three campuses.

The annual homecoming parade, held at four o'clock, made its way down Pascagoula Street and ended at War Memorial Stadium. The climax of the events came later that evening when the Panthers squared off with the Red Rebels and won the game. Halftime activities began with the announcement of the parade float winners and the winning class display. The conclusion of the week come with the presentation of the court and the crowning of the 1989 homecoming queen, Robyn Ezell.

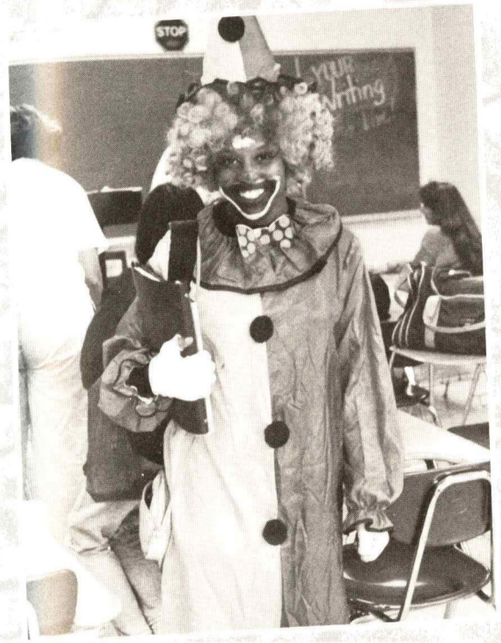
Panther Spirit



(Opposite Page) *Top to Bottom; Left to Right* : Senior Scott Davis shows his school spirit by wearing his camo gear on "Hunt the Tigers" day.

Opposite Page) Jason Sansing poses for a picture with his car tag on "Tag the Eagles" day.

(Opposite Page) Junior Monique Hinton pauses for a spirit picture on her way to class.

(Opposite Page) Mrs. Frye, Mrs. Halbrook, and Mrs. Weihing show the support by working on the senior display.

A PHS student, who travels incognito, dresses like "Freddie" for "Spook the Tigers" day.

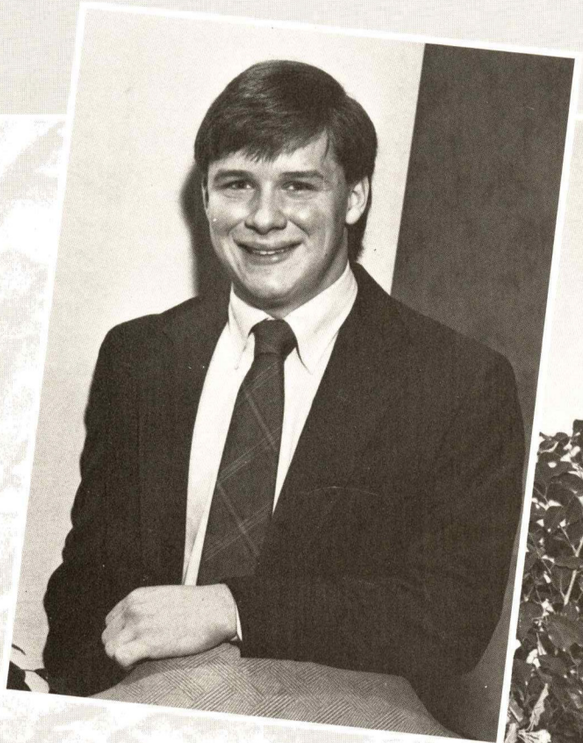
Bonnie Stanton dresses as a clown for one of the many spirit days.

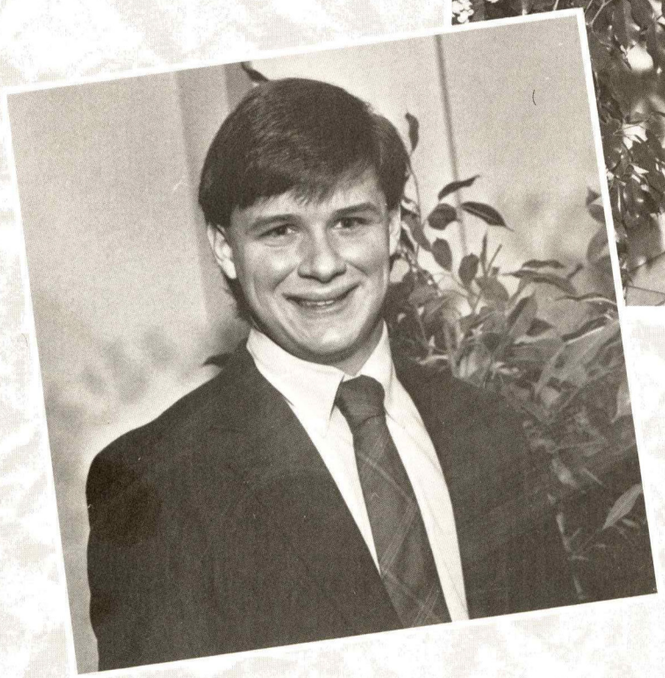
For the second consecutive year, Mrs. Belk wins the door decorating contest that is held during Moss Point week.

Courtney Runnels and Laral Chandler dress as "baseball buddies" for Twin Day.

SANDY SANFORD

MR. PHS





Sandy Sanford was an asset to the class of '90 as well as Pascagoula High School. During the past three years, he accumulated many honors inside and outside the classroom. .

A member of the football team, Sandy was named Outstanding Offensive Special Team Member during his junior and senior year. He also received athletic awards that were based on attitude, leadership, and academics. In the spring he was a valuable member of the tennis team.

His classmates honored him by being chosen Mr. P.H.S., Most Likely to Succeed, and Class Favorite. Sandy also was voted into the P.H.S. Hall of Fame by members of the faculty.

Finding club involvement enjoyable, Sandy held membership in Beta Club, National Honor Society, and Key Club. He also was Senior Class Vice-President.

Sandy was awarded the Elks Student of the Month and the DAR Citizenship Award and received various other academic awards. During his junior year, he represented P.H.S. as a Boys' State delegate.

MISS PHS

ROBYN EZELL

Robyn Ezell excelled in many ways during her three years at P.H.S. An outstanding student and leader, Robyn enjoyed all facets of school life.

Her leadership was well known, as she was elected class president during her sophomore, junior, and senior year. She was a Girls' State delegate and held offices in Beta Club, Key Club, and Student Council.

She was also a member of the National Honor Society.

During her senior year, her classmates chose Robyn as Miss P.H.S., Class Beauty, Most Versatile, and Homecoming Queen. She was a Class Favorite and Beauty during her sophomore and junior year. The P.H.S. faculty elected her to the 1990 Hall of Fame.

In athletics, Robyn excelled in track and was a record setter, placing first in three events at the Distirct 7-5A Finals.

Beginning..... .....to end

On August 18, 1989, students let the 1989-90 school year begin!

October 24-28 was Homecoming Week at P.H.S. This week was filled with many spirited activites that ended with a victory over the Red Rebels.

On December 7, 1989, the induction of new Beta Club members took place. These inductees were honored by the presence of Senator Trent Lott. This induction also marked the 50th year of Beta Club at Pascagoula High School.

January 1, 1990! New Year's Day marked the commencement of a new year and a new decade.

On May 12, 1990, the Junior-Senior prom took place. Everyone enjoyed a night of fun and excitement.

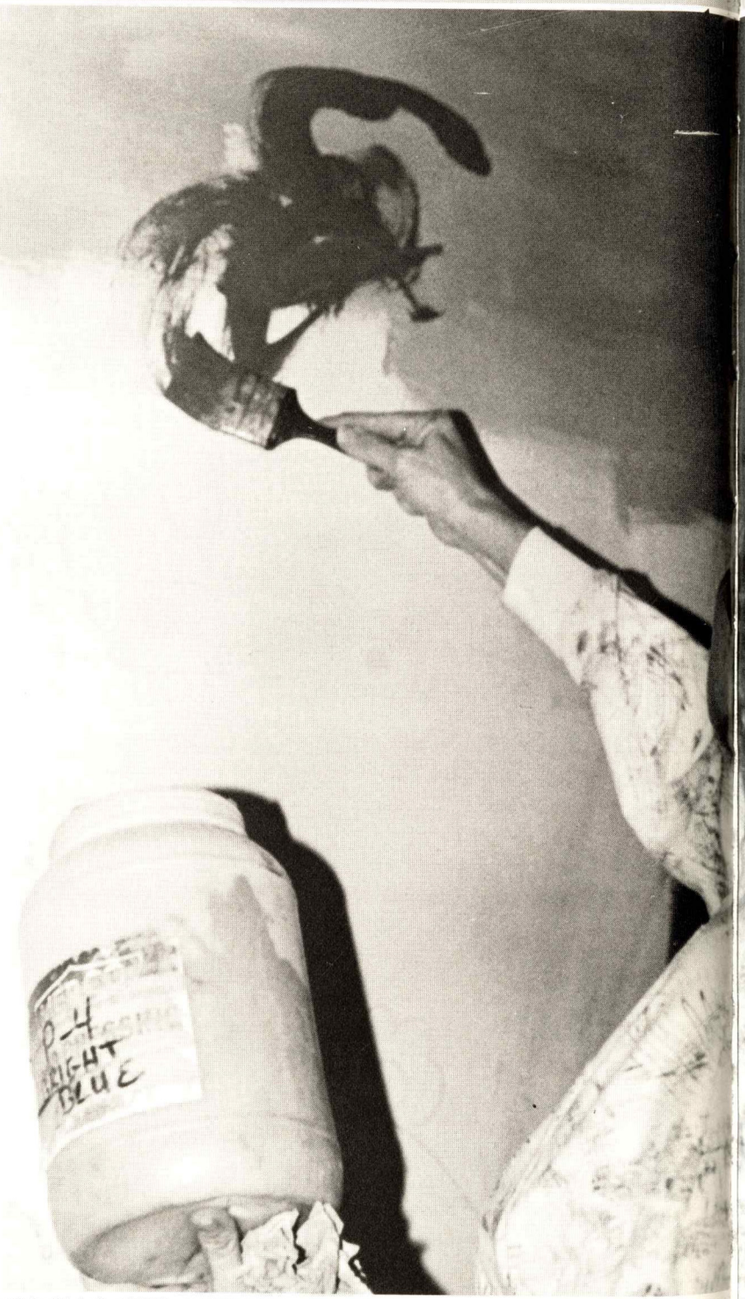
May 25, 1990, Seniors bid farewell to their alma mater as they marched on the field to the beat of "Pomp and Circumstance."

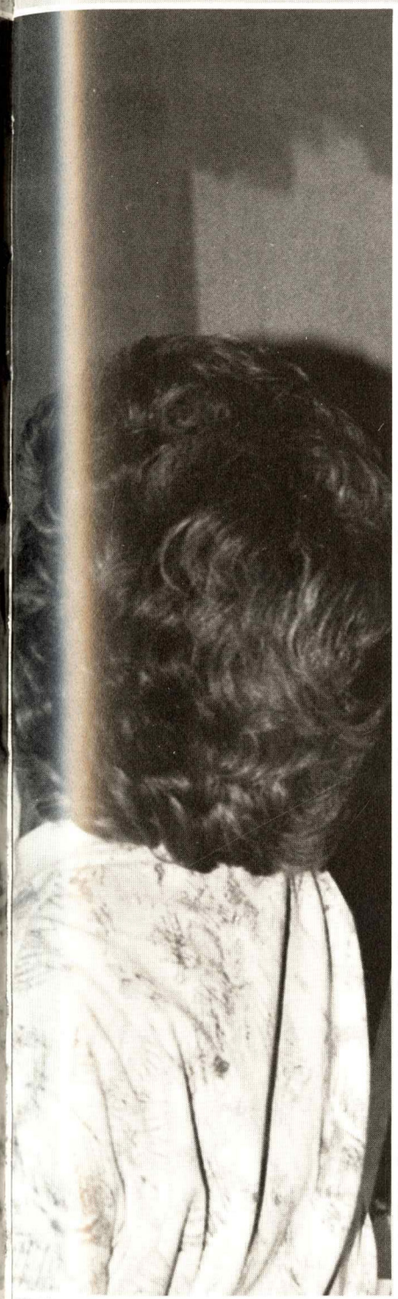
LET IT BEGIN ~~ads~~

New Decade • New Friends • new classes

TAKING PART IN THE SCHOOL WAS NOT ONLY DONE BY STUDENTS AND TEACHERS BUT ALSO BY PEOPLE IN THE COMMUNITY. SOME SUPPORT WAS SHOWN BY PEOPLE GOING TO BALL GAMES AND SUPPORTING THE PANTHERS. SUPPORT WAS SHOWN BY PARENTS TAKING PART IN OTHER SCHOOL ACTIVITIES. STILL MORE SUPPORT WAS SHOWN THROUGH BUSINESSES IN THE COMMUNITY WHO GAVE MONEY AND DONATIONS TO SPORTS, CLUBS, AND ACTIVITIES SUCH AS HOMECOMING. THE FINANCIAL SUPPORT GIVEN TO THE YEARBOOK STAFF WAS GREATLY APPRECIATED AND IS WHAT ALLOWED US TO "LET IT BEGIN!"
BY **KENNA DURHAM**

(RIGHT:) **MRS. MARTIN** PARTICIPATES IN A CLASS ART PROJECT. *(BELOW:)* **JUNIOR CIVITAN** PARTICIPATES IN THE '89 HOMECOMING PARADE.





TONYA MCKOY PARTICIPATES IN ONE OF THE CHORALIER PRODUCTIONS DONE THIS YEAR.

ROBYN RANKIN AND **LESTER THOMPSON** MARCH IN THE HOMECOMING PARADE AND SUPPORT THEIR PANTHERS.

BRADY TOULME' CLEANS UP AFTER FINISHING HIS ART PROJECT.

HAROLD UNDERWOOD TESTS HIS CHEMISTRY LAB.

THESE CARPENTRY STUDENTS PUT THE FINAL TOUCHES ON THE HOUSE BEFORE THEY PUT IT UP FOR SALE.

Rediscover history, explore the past at the Old Spanish Fort and Museum

The Mississippi Gulf Coast has lived under eight flags: French, Spanish, English, Republic of West Florida, Magnolia State, Confederate, State of Mississippi and the United States of America.

Within the walls of the Old Spanish Fort in Pascagoula, part of a French outpost built in 1718, have been collected many artifacts and historical items that represent centuries of the life and traditions of the people of the Gulf Coast.

Now this collection is on display in a modern new museum, built by the **Jackson County Board of Supervisors** and dedicated in 1988. Located next to the Old Spanish Fort, the oldest building in the Mississippi Valley, the museum (shown in accompanying photos) was designed in an architectural style compatible with the 265-year-old fort, that was in actuality a carpenter's shop built on the plantation of French-Canadian Joseph Simon de la Pointe.

The **Jackson County Board of Supervisors** invites you to visit the Fort and Museum and enjoy this fascinating part of our heritage. Open year-round, 10 a.m. to 4 p.m., except on Thursdays and major holidays, admission is $1 for adults and 50 cents for children. Student tours are available with special rates. For more information, please call (601) 769-1505.

Mississippi Gulf Coast COMMUNITY COLLEGE

Deciding on a college can be complicated. Let Gulf Coast help you make that decision by giving you choices.

- ❒ **You have a choice of locations:** Choose from three campuses and four centers.
- ❒ **You have a choice of lifestyles:** Live at home and commute or live on-campus at Perkinston.
- ❒ **You have a choice of programs:** You may choose a college transfer program or opt for an occupational career.
- ❒ **Plus,** student activities give you the opportunity to participate in everything from the art--to sport--to dance. When you choose Gulf Coast, your choices are endless yet affordable.

Celebrating 78 years of service . . . continuing a tradition of excellence

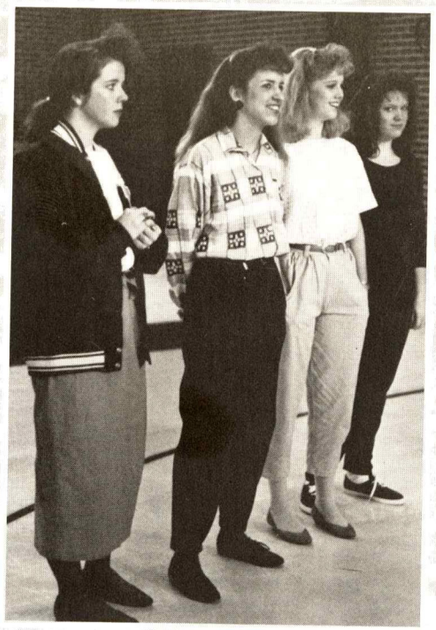
Tracey Weaver shows off her good grade ribbon given to her by N.H.S.

Donald Moffett takes time to give blood.

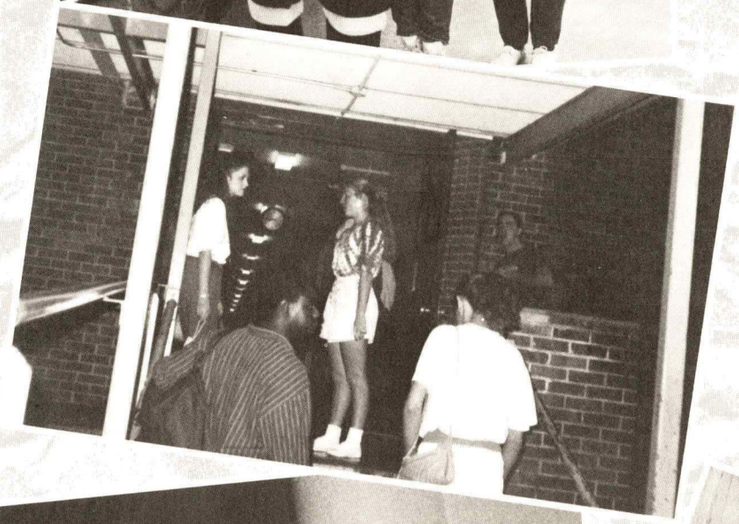
Shane Poole hurries to his next class trying to beat the tardy bell.

Tracy Woods, Michelle Haigler, and Kim Green wait to have a club picture taken before school.

Bo Livingston busily works on an article for the school newspaper.



The '89-90 school year came to a close and many students looked back to the past year and wondered how it went by so fast. Students also recalled many memories that took place-good and bad. Many tests were given as well as tons of homework. Most students found that however much pressure was put on them by everyday demands of school, the friends that were made and the fun they had made the year worthwhile.
by Kenna Durham

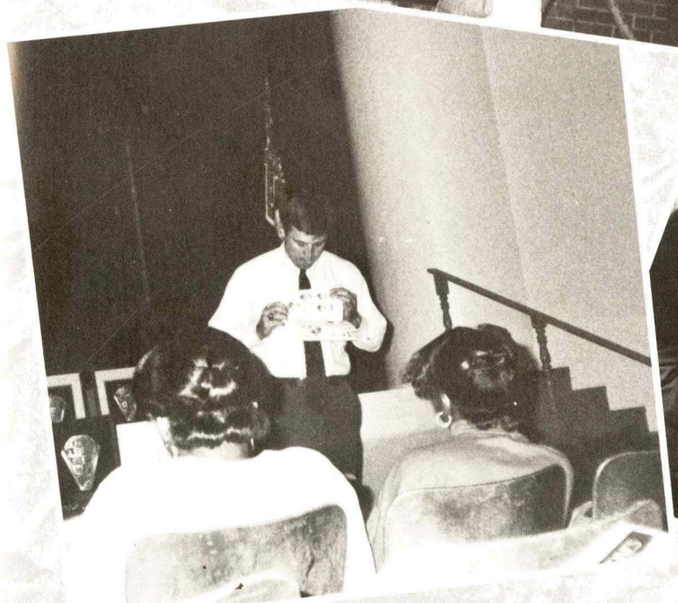


Student Council members take time to pose with Santa at the teacher Christmas party.

Students wait for the lunch bell to ring so they can return to class.

P.H.S. teachers relax and enjoy the Christmas party given for them by the student council.

A Josten representative presents to the juniors the many choices available to them when choosing their class ring.



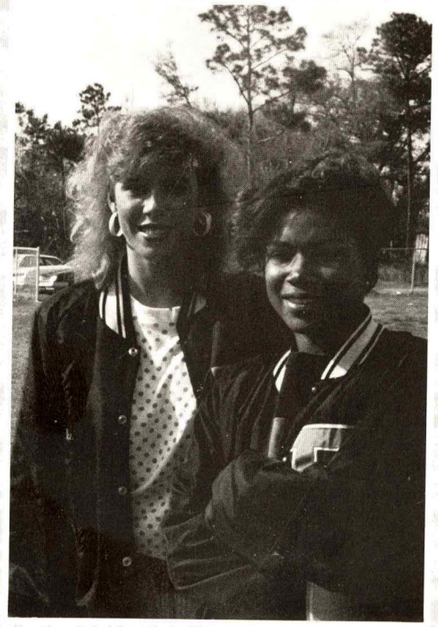
Wendy McCanlis, Greta Gates and **Kim Byrd** show their results of the Fall Blood Drive.

Chris Ward and **Becca Lewis** are all smiles as we catch a picture of them on the new bus ramp.

Here is a scene of a few of the PHS students at one of this years football games.

Sarah Bailey and **April Bilbo** pose for a quick picture before they leave for the basketball game.

Many of the PHS faculty members relax at their party given by the Student Council.



As this new decade begins we come to the end of another school year. Many of the students are past the excitement level as one whole year has passed and another approaches. The sophomores are relieved they've made it past their first year of high school. The juniors are estatic that they will be seniors in a matter of months. And the seniors, well, many of them look forward to even more school, but a school that will turn most of them out into the "real world" ready for a challenge. All in all, the year was great and the start of the new decade made the school year worthwhile.
by **Dinah Batson**

Chris Taylor, Troy Trigg, and **John Burkes** pose for a picture after the Womanless Beauty Pagent.

Billy Solitario relaxes for awhile during rehearsal for their Ideas play.

Roderick Ashford does his job right as he co-ops at the local grocery store.

A few of the yearbook staff members meet with the camp advisors to organize the yearbook.

As editors of the 1990 *Panther*, we would like to extend our thanks and appreciation to all those who took part in the production of this yearbook. Not only do we want to thank our yearbook staff for all their hard work and effort, but we also want to thank the businesses and the community that helped raise the needed funds for the publishing of this yearbook. As the year ends and the yearbook's success becomes a reality, we can always think back to all the hard work, late hours, weekend marathons, lost playtime, lost sleep, and missed lunches and dinners that took place for this yearbook to turn out so well.

The seniors regret their departure while the underclassmen that will become members of the 1991 staff begin planning for another year. Best of luck to all our fellow classmates and teachers come. Remember that it's a new decade, and anything is possible. . .so LET IT BEGIN!

Dinah Batson and Kenna Durham, Co-Editors

The yearbook staff listens to suggestions made to them while attending the 1989 summer yearbook clinic at U.S.M.

An artist helps the yearbook staff prepare the cover for the yearbook at camp.

The yearbook staff takes time t relax after a busy year of working on the yearbook
